Nursery Yeti Search

Nursery children have continued to learn about cold places, they have spent time searching for the yeti who likes to eat spaghetti! They needed to draw maps and pack their rucksacks with a warm woolly hat and a tin of spaghetti!

Years 3 and 4 science

Years 3 and 4 have been learning about electricity this half term and this week they have been exploring circuits.

The children were challenged to make a complete circuit making the bulb light up. It was tricky, but they got there in the end! Well done!

Attendance and Punctuality

If your child is absent from school due to a medical appointment, proof of this is required to mark the absence as authorised. If your child will be arriving late (after 8.55am) you must inform the school to ensure they are put down for a lunch. If your child does not have a medical appointment they should arrive to school on time everyday. This means arriving between 8:45 and 8:55 when the doors are closed.

If your child has to enter through the office they will be marked as late.

Hull Active School Sportshall Athletics

On Tuesday 25th January, 36 children from Years 3, 4 and 5 were chosen to represent Southcoates at a Sportshall Athletics competition at the University of Hull Sports Centre. This was the first time we have been able to attend and participate in an external sporting event in two years.

The children took part in a range of track and field events, such as javelin, long jump, speed bounce and a range of sprint races. They showed fantastic teamwork, determination and respect, towards each other and the event organisers.

At the end of the competition, the team results were announced. Southcoates were awarded Silver for the year 5 team and Bronze for the 3/4 team.

A fantastic result - well done everyone!

Upcoming Events

Week beginning Monday 7th February: E-Safety Week

Monday 14th February: Whole school theme week

Week beginning Monday 21st February: Half term holiday

Monday 28th February: School re-opens after break
