Mosaic Making

As this week is our Kings and Queens Theme Week, the children in Year 6 have been creating mosaics that represent Boudicca and her battle against The Romans. After looking at the work of the famous artist Antoni Gaudi, the children have tried to incorporate his style into their work.

Well done to Year Six - amazing work.

House captains

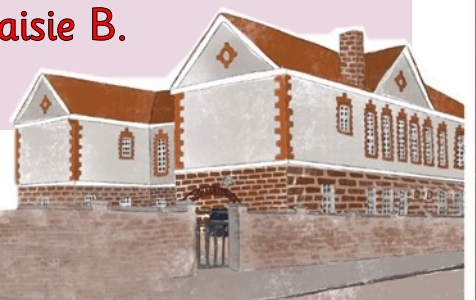

Well done to those children who have been voted in as house captains for this year.

Johnson House - Shelbie M. & Jaden H.

Needler House - Rosie D. & Bray W.

Wilberforce House - Finley D. & Lily-Mae S.

Sullivan House - Charlie K. & Maisie B.

Spanish Week

Next week is Spanish Week in school!

The children will be taking part in tasting different Spanish food such as tortilla, albondigas (meatballs) and paella.

We will all be learning some Spanish dancing, finding out about Spanish places and practicing Spanish words and phrases.

My Child at School App

We have created user accounts for the My Child at School app and those parents that attended parents evening yesterday should have received a letter with their login details. If you haven't received an MCAS login letter, please ask your child's class teacher.

Due to GDPR legislation **these letters cannot be sent home with children and can only be collected by the first priority contact on our system** as the account contains personal data.

An email will be sent out with some guidance on how to set your account up, how to edit yours and your child's details, customising the app for your use and other information.
