Thursday 9th June 2022

Sports Week

Next week we shall be holding a sports week in school. Events are planned to give the children opportunities to participate in sporting activities and to celebrate their sporting achievements.

Children can come to school in their PE kit on the sports days for their year group but if possible, please can they wear a top that is the colour of their house.
Wilberforce – Green, Johnson – Blue, Needler – Yellow and Sullivan – Red.

Attendance Prizes

Overall attendance has improved over the year and the children are making fantastic progress with their learning - thank you all for your support in getting the children into school every day.

We currently have 31 children who have had 100% attendance all year - this is a fantastic achievement and if they maintain their 100% record they will receive a special award at the end of the year.

As well as this there will be certificates and prizes for those children who have achieved 100% throughout the summer term.

Those children who get over the government target of 96% will also receive a certificate and a prize.

Pick 'n' Mix

As a special reward, all children who are in school for every session next week will get to visit the school pick 'n' mix stand on Friday and fill a bag with their own choice of sweets!

The same offer will also apply for the week after (w.b. 20th June) as well.

Summer Fair

After 2 years without one, we are delighted to be able to invite you all to our Summer Fair on Friday 1st July. If any parents would be happy to help out on the day, please speak to Ms Jackson who is on the playground every morning or give her a call.

Also, any donations for raffle or tombola prizes would be gratefully accepted. Items could include good quality and clean books, teddies or unopened bottles of juice etc.
