## Art Exhibition - Well Done Southcoates!

Welcome back after the half term break - I hope you all had a peaceful week. Thank you all for your supportive and positive comments after the art exhibition in the last week before the break. The children produced some amazing work that impressed our visitors. We had such lovely, positive feedback from the Lord Mayor, our local councilors, our school governors, visitors from other schools and many, many parents and carers - your support is appreciated.

24 children were picked out as prize winners who each received a £10 WHSmith voucher and every child received a gold ticket for the effort that they put in and the maturity that they showed.

## Expectations of Great Behaviour

At Southcoates we pride ourselves on the great behaviour that your children demonstrate on a daily basis. The children's behaviour was excellent whilst we had visitors in for the art exhibition and, when we go out on a visit, we often get feedback to say that the children are a credit to our school and community.

Thank you for your continued support in reminding the children of what is expected in school. By working together, we want our children to reach their full potential and make the best progress they can at primary school.

Please speak to your child's class teacher in the first instance if you have any concerns or would like to report any issues. Mr Libera, Miss Boba and Mrs Thurston are on the playground at the start and end of every day if you require further support.

### What's in the news?

Our whole school theme for this half-term is called "What's in the news?". For more information about what children are learning and pictures of their great work please see the school website and twitter feed. [www.southcoatesacademy.co.uk](http://www.southcoatesacademy.co.uk)
