Sports Week

Thank you to those of you who came to our sports week opening ceremony. The children did a great job and it was lovely to see so many of you enjoying the performance.

Cancelled After-School Clubs

Due to low uptake unfortunately **we have had to cancel the Monday and Tuesday after school clubs scheduled for the rest of term.** This means that the KS1 Gymnastics and KS2 Tennis clubs on Monday, as well as the Athletics clubs for KS1 and KS2 and Tuesday will not go ahead.

The Thursday Multi-games club for KS1 and KS2 and the Basketball club for KS2 will go ahead as normal.

Planting Trees with AAK

Staff from AAK came into school last week to help children to plant fruit trees in barrels. Thank you to AAK for this kind donation to enhance the garden area of the playground. We now have apple and pear trees - some of them already have fruit growing! The children enjoyed helping to plant them in the barrels and they are very excited about watching them grow!

Jubilee Art Exhibition

Thank you to everyone who came to our Jubilee Art Exhibition - the children produced some excellent art work and response from visitors was fantastic.

Emily summed it up very nicely when she said, "I loved every piece, especially the ones that had lots of detail and colour. If I could, I would put every piece of work in a frame."

Fire Brigade Visit

Humberside Fire and Rescue visited earlier in the week. The children even got to try out some of the equipment!

Upcoming Events

Thursday 23rd June - Year 6 Kid Alert visit

Monday 27th June - Friday 8th July - Year Five Swimming (every day)
