

# Southcoates Primary Academy Newsletter

Thursday 10th March 2022

## World Book Day

World book day was last week on Thursday 3rd March. As a school we read the book *Ten Delicious Teachers* and the children were asked to dress up as their favourite teacher – real-life or fictional. Thank you to all of the parents that helped create some of the fantastic outfits - the children looked fab! Activities included sketching, painting, making and writing descriptions of monsters! Some children got to write a school report about a teacher in the school!

All children received a book token so don't forget to go and get your free book!

**Thank you to everyone who has donated to our appeal for Ukraine.**

If you would still like to contribute, please hand any donations in by tomorrow.

## Road and Footpath Closures

I have been informed by Hobson Porter that the junction of St. John's Grove and Southcoates Lane will be closed to vehicles from Monday 21st March to Sunday 10th April. I have contacted them to ask if there will be safe access for families to walk across the junction and around the corner. They have assured me that the path that runs alongside the school will remain open however there will be no area for crossing St John's Grove at the junction as it will be closed at the road markings.

Please do not attempt to cross here whilst the works are ongoing. My advice would be to remain safe and walk along the footpath on the other side of the road, then use the crossing patrol near the main school gate.

### Year six hoodies and reward trip!

After a two-year absence, we are pleased to be able to offer the London reward trip to year six pupils! This trip is a fantastic way to congratulate the children on their hard work through the year.

Additionally the year six hoodies will be available to collect very soon. Mrs Oliver and Ms Jackson will send out further details .

We have plans to offer different rewards for children in other year groups who complete their homework and are well-behaved through the year.

### Parking Around School

Please can I ask that you are careful and consider the safety of others when parking around the school. The lack of parking spaces will always be an issue but please ensure that children are able to safely get to school.

### Upcoming Events
