

Governance

The Enquire Learning Trust has implemented a structure for all Local Governing Bodies. The Local Governing Body meetings are held once every half term with the Academy Improvement committee operating in line with the Trust's Scheme of Delegation when any need arises, for example Pupil Discipline Committee or Appeals Committee. The development of governance is an important part of Academy life. The role of Academy governors is to develop a strong 'critical friend' relationship between the Trust Board and the Local Governing Body. The Chair of Governors can be contacted via the school (please see the Contact Us tab). Full details of the Members and Board of Trustees can be found in the Enquire Learning Trust menu of this website. Declaration of Business Interests is a standard agenda item on every Local Governing Body meeting. In addition, governors complete an annual registration of business interests form to comply with statutory financial regulations. The Register of Business Interests for the Local Governing Body can be found below.

Disclosure and Barring Service (DBS) Requirements School Governance (Constitution)(England)

Regulations 2012 states that academy governors are required to be subject to a DBS check. To ensure compliance, members of our Local Governing Body are required to undertake a DBS check as part of the appointment process.
