Would you like to write for the Southcoates Culture Mag? Speak to the Cultural Council or your class teacher to get involved!

British Values

This term, the Cultural Council have delivered two assemblies. These assemblies have been about:

- Liberty
- The Rule of Law

Well done to the Cultural Council who have worked very hard throughout the year to teach about the British Values and demonstrate how to be good role models. They have also written this year's Culture Mag articles. They will now be handing over their responsibilities to newly selected Cultural Council members. If you would like to be considered for the role, please speak to your class teacher who will talk to you about how to apply!

Black, White and Red Day

On Black, White and Red day we came to school dressed up in black, white and red. We met two Hull FC players and we worked with them to play different games. Games included Scatterball and Indiana Cones. These games helped us with our fitness.

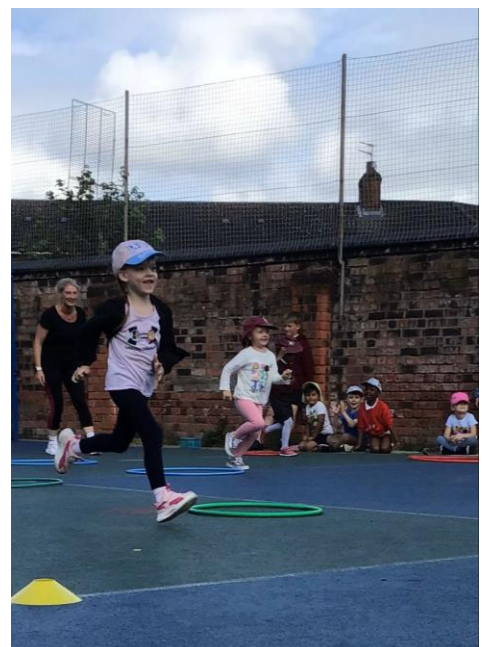

Opening Ceremony

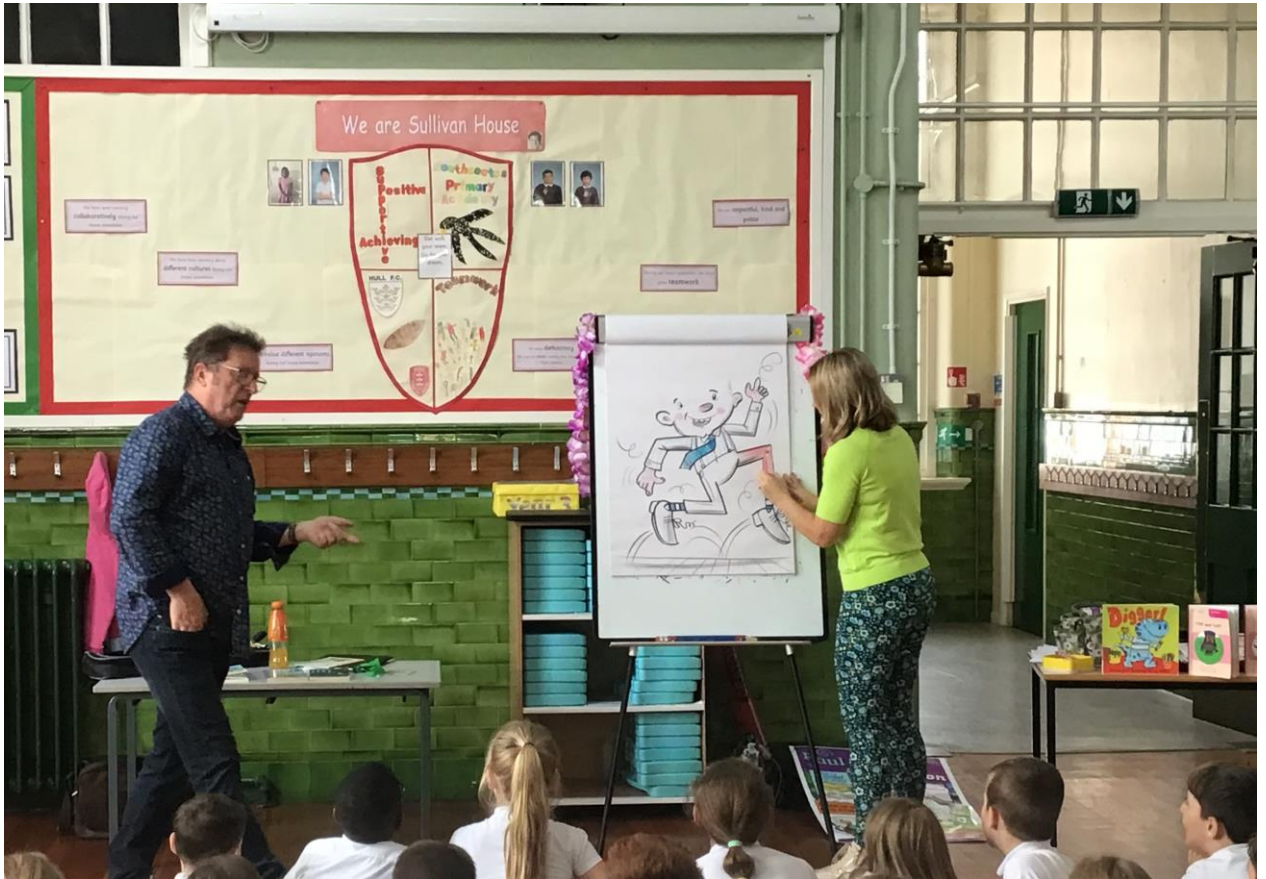

The Opening Ceremony was fun because we learned about different countries and we performed dances from each place. Thank you to all of the parents who came to watch us!

Sports Day

Author and Illustrator Visit

The children in KS2 enjoyed listening to an author who told us about the workshops that he would be doing at The Big Malarkey festival. He taught us to recite a poem. At the same time, an illustrator drew a penguin and a dolphin for our Y3/4 classes.

The Big Malarkey

Dolphins Class enjoyed going to the Big Malarkey festival. At the festival, we made puppets. We also made items linked to the Stone Age. This linked to the stories that we read when we studied the Stone Age in Key Stage One.

Into University

As part of our Into University sessions, some year groups worked alongside children from other schools. We completed tasks to help with secondary school, such as learning how to independently pack our bags and prepare for our new journey.

Kid Alert

Kid Alert was really fun! We learned about water safety, fire safety and what to do in an emergency situation. We learned some first aid skills, including how to put someone into the recovery position.

London Trip

We arrived at the train station bright and early, at 6:20am. The train departed from Paragon Station at 7am and we arrived in London at 9.30am. We went to the Science Museum and we ventured to Buckingham Palace. We walked through St. James's Park.

We experienced travelling on the tube network and we also went on a river cruise down the Thames. We saw 10 Downing Street, The Shard, Big Ben and The Houses of Parliament.

On the river cruise, we saw many famous landmarks, including the London Eye. We enjoyed waving at the people on the bridges.

Quadkids Athletics

Children from across the school have been competing in the Quadkids athletics competitions this term. The Quadkids competitions were held at Costello Stadium and we competed against children from different schools.

In Key Stage One, the children took part in the 30m sprint, the 300m running race, a throwing event and the long jump. We enjoyed jumping into the sandpit in the long jump activity.

The Key Stage Two children ran all the way around the running track. We also took part in the javelin competition and practised the long jump. We competed against children from other schools and we placed fifth out of all of the schools! We're really proud of our achievements.

Parents and carers can keep up to date with everything that's happening at Southcoates by following us on X:
