- Cross curricular links: daily opportunities for using Spanish will be exploited through classroom commands, answering the register and use within maths (as is appropriate).
- Cultural passport:
 - a Spanish song is learned to perform to parents at the Carol concert – involving all children in school.
 - an annual Spanish Week is arranged for the whole school, from the Early Years through to Year 6, where the children meet Spanish visitors, experience Spanish music and dancing, taste foods from Spain and practise Spanish songs and phrases.
