Tuesday 24<sup>th</sup> February, 2021

Dear Parents and Carers,

I am writing to outline our plans for re-opening the school. This will be done in three stages over the next two weeks.

### **Thursday 24<sup>th</sup> February**

- School will re-open for the children of key/critical workers in years 4, 5 and 6 and vulnerable children in years 4, 5 and 6 only.
- All children who attend nursery will be able to return to school.
- Breakfast club will not be available.

### **Monday 1<sup>st</sup> March**

- School will re-open for all other children of key/critical workers or vulnerable children (years 1, 2, 3 and reception).
- Breakfast club will restart for those children who are in school.

### **Monday 8<sup>th</sup> March**

- School will re-open for all children across all year groups.
- This means that we will revert to a situation where online learning will only be available for children who are self-isolating or have an official shielding letter.
- Breakfast club will continue to be available only for the children of key/critical workers.

Please be reassured that we are following the most up-to-date government guidance and that, as always, the safety of children is our first priority.

Next week we shall send out further information on our plans for the full re-opening, including reminders about start and finish times.

As you can imagine, this has been a very difficult two weeks. Thank you for your patience and understanding throughout this time.

Yours sincerely,

E.R. Chamberlain,  
Principal
