

Years 1 and 2

Royal Shakespeare Company Strategies

This term, the children have been enjoying using some drama techniques to enhance their writing.

They have used the word carpet technique and hot seating to create some imaginative descriptions and diary entries.

Y2 Concert to the School

To celebrate the end of our Heroes and Villains theme, Y2 held a concert to the school for our year group assembly.

We sang a medley of Disney songs. The performance was wonderful and we were very proud of the children.

Parent Event - Theme Launch

At the beginning of the second half of the Spring Term, parents were invited into school to help to create a fabulous rainforest display. The children enjoyed being creative by creating plants and animals.
