# WELCOME

Welcome to Flyers Netball Academy, where quality coaching meets the joy of play!

We are thrilled to introduce SuperCamps newest venture into the world of Netball. For some time, we have felt the desire from both parents and players for a Netball Camp, that offers high quality coaching opportunities during the school holidays.

At Flyers Netball Academy the children will be in an environment that breeds confidence, social engagement, and skill development. The cohort of qualified coaches will all have a passion for the sport and knowledge of developing children of mixed abilities and ages. The timetable has been specifically designed to ensure variety of content and provide a holistic approach to developing each individual's skill set.

We're proud to offer this popular netball course as part of our exciting line-up of specialist courses. We look forward to welcoming you and your child to a week of netball soon.

Warmly,

*Kirsty Farrar-Hockley*
