Every school within The White Horse Federation will work in close partnership with children and their families in sharing responsibility for their learning, wellbeing, behaviour and safety.

We believe in the unlimited potential of every child. Through working together as a partnership with children and their families, we will unleash the potential in each individual, enabling every child to achieve their best and to be the best version of themselves all of the time.

Our ethos is underpinned by our **ACHIEVE** values, which all members of our school community are expected to demonstrate in their personal conduct: **Ambition, Collaboration, Honesty, Inclusivity, Valiance** and **Excellence.**
