Southwold Primary & Nursery School

Sports Premium Plan 2025-2026

Allocated Funding 2025/26: £18,430

Key Indicators for the Primary PE and the Sports Premium:

1) Increased confidence, knowledge and skills of all staff in teaching PE and sport;
2) Engagement of all pupils in regular physical activity;
3) The profile PE and sport is raised across the school as a tool for whole school improvement;
4) Broader experience of a range of sports and activities offered to all pupils;
5) Increased participation in competitive sport.

Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Intended impact	Actions to achieve	Funding	How will you ensure sustainable improvement?	Evidence of impact	Suggested next steps
To develop the leadership of PE so that it is more effective in overseeing the quality of education and provision, and wider sporting experiences for pupils (for example, whole school training on an approach to implementing physical literacy)	Provide the PE subject leader with CPD opportunities to develop leadership through attending professional courses and network meetings with other school PE leads.	£500	Enabling ongoing professional development and training will enable the PE curriculum lead to be even more effective in their role, leading to sustainability of the leadership of the sports curriculum.	CPD Power hour with Dean Woodhams NOSSP £200 Littlesticks Golf training CPD for 1x Teacher to attend. CDP with children in school with Littlesticks- release for Teachers. £350	Start to evaluate Southwold against the Well Schools accreditation.

Key indicator 2: Engagement of all pupils in regular physical activity

Intended impact	Actions to achieve	Funding	How will you ensure sustainable improvement?	Evidence of impact	Suggested next steps
To develop high quality opportunities within the Early Years to encourage children to develop an enthusiasm for being physically active at a young age, tackling childhood obesity and inactivity at the earliest stage.	Investment into equipment and provision within the environment that is inviting and enables children opportunities to be physically active.	£3,630	It is the intention that by targeting the school's youngest children, good habits around engaging in physical activity will be instilled into KS1 and KS2.	Healthy Movers initiative- Training for 2x member of staff and follow-up meetings and staff cover to enable £600	Healthy Movers Parent engagement sessions planned for next year
An offer of a variety of extra-curricular physical activities result in a greater number of children attending clubs, particularly girls (whilst also continuing to focus on SEND and disadvantaged) and, as a result, more children will be physically active and impact positively on child obesity rates and on well-being.	The school employs qualified sports coaches to deliver extra-curricular activities catering for up to 90 pupils per week. Money to be used to subsidise the cost of extra-curricular clubs offered by sports coaches so that they are free for pupils to attend – prioritise places for children who are disadvantaged.	£6,000	It is the intention that providing extra-curricular clubs that pupils in receipt of the Pupil Premium are prioritised for leads to a sustained increase in the number of disadvantaged pupils accessing free sports clubs over time. The school will also prioritise pupils with SEND and target KS2 girls through bespoke provision.	Sessions ran for Pupil Premium children with Youth activators and STH staff supporting £500 Dancing for Schools opportunities for PP and SEND children with support from STH staff. £1000 Resources purchased for events (banners etc) £100	Continue with Dancing schools next year following same model of sessions

Key indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement

Intended impact	Actions to achieve	Funding	How will you ensure sustainable improvement?	Evidence of impact	Suggested next steps
To provide pupils of all ages with opportunities to try a range of sports and engage with a 'festival of sport' to promote healthy life styles and fitness.	Plan whole school Sports Week / Sports Festival. Engage external sports providers (e.g. dance / sports coaches) to enable children to participate in a range of sporting activities.	£2000	Planned as part of annual curriculum offer to all pupils with the intent of raising the profile of sport across the school.	Sports week specialist coaches in Zumba and Frisbee £200 Swimming teacher training for 1xTeacher and 1xTA to enable us	Continue with Zumba as after school club. Continue to find different sports to inspire children. Look at Swimming opportunities.

	Look for opportunities to engage children in sporting activities that they would not have necessarily engaged with out of school (e.g. zorbing / climbing wall).			to take more children swimming next year. £400	
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils					
Intended impact	**Actions to achieve**	**Funding**	**How will you ensure sustainable improvement?**	**Evidence of impact**	**Suggested next steps**
Enable the school's youngest pupils to learn and develop gross motor skills through a focus on developing primitive reflexes by continuing with corefulness in EYFS and engaging further with 'Healthy Movers'.	Invest in a subscription into lessons on corefulness, which will be focused on EYFS children, with the intent of developing their primitive reflexes. Ongoing engagement with 'Healthy Movers'. Invest in sound system to enable Early Years children to take part in the above in the outdoor environment.	£300	Planned to be taught on a daily basis, 2x per day. Sustainable improvement intended to be seen in children's development of reflexes, supporting gross motor skills. Focus on parental involvement in 'Healthy Movers' through staff training.	Corefulness twice a day for EY children £100 Healthy Movers as part of EY curriculum- 2x speakers purchased to allow this to happen. £835.00 Healthy movers parental engagement bags made to go home to children £100 Pegs to paper for fine motor development £400 Wheeled vehicles for 2yr olds £400 Clamber grass hill £610	Continue next academic year to support children with delayed gross motor and fine motor
Continue to offer high-quality learning experiences that promote and encourage physical education and take into account new initiatives and developments in sports evident in the school's curriculum offer and through extra-curricular provision.	The school will invest in new equipment to ensure the resources offered to the children inspire their sporting curiosity and motivate them to take part, including through the offer of extra-curricular provision (e.g. table tennis tables). This will support higher levels of engagement in physical activity during social times.	£2500	Reviewing the impact of the extra- curricular club provision to assess whether this leads to an increase in pupil numbers/increased engagement through improved resources. Reviewing that pupils benefit from age-appropriate resources, and that curriculum provision and progress of skills is sustained into the future.	New Goals, New netball posts, javelin, rounders posts £2000 After school cricket and rugby sessions on offer £2000 After school multi-skill Sports club weekly £3000	Continue with girls and boys football team next year. Continue with offer of rugby and cricket after school
Key indicator 5: Increased participation in competitive sport					
Intended impact	**Actions to achieve**	**Funding**	**How will you ensure sustainable improvement?**	**Evidence of impact**	**Suggested next steps**
Increased participation in competitive sports by pupils of all ages, by actively encouraging children to take part in school sports events and participating in local events.	Engage with local sports tournaments (local schools/sports clubs – e.g. athletics & cricket), including travel to and from events, through investment into the North Oxfordshire Sports School Partnership (NOSSP). Termly House Team sports competitions to promote intra-House sportspersonship & trophies to celebrate results.	£3000 annual contribution £500	It is the intention that opportunities for healthy competition both in school and across partner schools within NOSSP is sustained, leading to increased opportunities for pupils to engage in physical activity.	Resources for Sports day £300 NOSSP subscription and event travel £3300	Continue with NOSSP and attend events looking to achieve Gold School games mark

Swimming Data 2026 Review	
What percentage of pupils in your current year 6 cohort can swim competently, confidently, and proficiently over a distance of 25 meters for academic year 2025 to 2026?	68%
What percentage of pupils in your current year 6 cohort can use a range of strokes effectively (e.g. front crawl, backstroke, and breaststroke) for academic year 2025 to 2026?	48%
What percentage of pupils in your current year 6 cohort can perform safe self-rescue in different water-based situations for academic year 2025 to 2026?	Not recorded
