Digital Leaders

We are the proud Digital Leaders of Southwold School:

We have important jobs to do each week as we help support children and staff with computing around school. Our main focus is to keep you safe online and make your use of computing as fun and knowledgeable as possible.

Our job roles include:

.   **Try out new technology in school**
.   **Research and develop the use of new technologies in school**
.   **Help to monitor the use of Computing to support learning**
.   **Help teachers to develop their Computer skills and knowledge**
.   **Create a vision for the future of Computing at Southwold School**
.   **Help teachers to deliver/ support lessons if asked by that teacher**
.   **Run lunchtime Computing Clubs**
.   **Run parent workshops**
.   **Organise computing competitions**
.   **Create videos about how to use particular software, apps, programs, etc. for staff & pupils to use**

We can't wait to talk to you about Computing!
