

1. Summary Information					
School	Southwold Primary School				
Academic Year	2021/2022	Total PP budget	£40,000	Date of most recent PP Review	June 2021
Total number of pupils	321	Number of pupils eligible for PP	55	Date for next internal review of this strategy	May 2022

Data Context - Academic Year 2020/2022

- Due to Covid-19, there has been no official published / national data.
- To support all pupils, including PP children, focus has been on KPIs for each year group (and how those KPIs have been established).
- KPIs have been monitored robustly internally.
- Through monitoring, both PP leads and class teachers know the needs of their PP pupils and have planned accordingly throughout the academic year 2020/21. Current assessments have then been used to inform this strategy document for the academic year 2021/22 ensuring the most seamless learning possible.
- This can be ratified via internal assessment systems.

2. Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school barriers (issues to be addressed in school, such as poor oral language skills)

A.	Attendance and Lateness
B.	Speech and Language – significant in Foundation Stage
C.	Self-esteem of individuals
D.	SEND – ASD, ADHD, SEMH, C&L and C&I
External barriers (issues which also require action outside school, such as low attendance rates)	
A.	Poor Parental engagement
B.	Children’s Social, Emotional, Mental Health
C.	Morning transitions from home into school
D.	Supervision and monitoring of children and their behaviour out of school

3. Desired outcomes

	Desired outcomes and how they will be measured	Success Criteria
A.	Attendance of all Pupils to meet National Average	<ul style="list-style-type: none"> • Attendance diminished between Pupil Premium and Non-Pupil Premium pupils • Weekly attendance meetings to monitor pupil attendance with immediate action • Contact with families to offer support strategies to ensure children arrive to school on time. • Attendance and late arrival concerns referred to the Educational Welfare Officer, in order to target and offer support, following White Horse Federation strategy and procedure
B.	Children to finish Foundation Stage and Year 1 meeting ARE in relation to communication	<ul style="list-style-type: none"> • Foundation Stage children meet GLD – At least national data achieved • Oracy at a suitable level to ensure children are writing effectively • Talk Boost interventions implemented to support identified children – Impact evident • Tales Toolkit used as whole class strategy
C.	Increasing mental health and nurturing needs of identified children - Pupils to have a positive image of themselves; emotional and mental well-being achieved	<ul style="list-style-type: none"> • Pupils achieving ARE and above • Pupils will have a sense of belonging and emotional maturity will be achieved • Pupils will take risks in learning, cope with the challenges of change, display resilience and feel motivated. • Pupils will be socially confident and maintain friendships • Provisions implemented to support children during the school day – Pick and mix, Play Stop, 1:1 Time to Talk, Mindful colouring and Forest School – Impact evident • Targeted interventions implemented to support children’s well-being – Caring Cadets, KS1 Nurture Group, Forest Foragers, Play Therapy and Little Troopers • Increased capacity with additional learning mentor. • Pupils to have access to the Sensory room and Well-being suite at designated time during the school day.

D.	Increased Parental Engagement with school	<ul style="list-style-type: none"> • Evidence of increased positive relationships between parents and staff • Increased active parental engagement, supporting learning. • Successful strategies implemented to support children's learning and well-being • Family Support Worker role fully utilised. • Increased attendance at parent coffee mornings and workshops • Parents and Families attending our celebration events during the academic year.
E.	Successful morning transitions from home into school	<ul style="list-style-type: none"> • Children to successfully come to school ready to engage in learning • Mindfulness and early morning activities for all classes 8:45-9am to ensure children are ready to engage in learning and ensure pupils have the opportunity for time to talk with their Teacher and Teaching Assistant
F.	Children to engage in whole school experiences	<ul style="list-style-type: none"> • Engaging curriculum implemented to ensure all children are able to reach their full potential in all aspects of school life. • Learning Mentor to utilise and embed Trauma informed practice into the wellbeing and SEMH support offer for all children • Whole school training on Attachment and Adverse Childhood Experiences and Early Trauma

4. Planned Expenditure

Academic Year	2021-2022				
Quality of Teaching for All					
Desired Outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff Lead	When will you review implementation?
All Pupil Premium children make the same	Allocated class TA support, including boosters and interventions, for every year group –	The difference is diminishing between Pupil Premium and Non-Pupil Premium children,	Pupil Progress Meetings and data on Pupil Asset will be used termly to record and evaluate the effectiveness of interventions/analyse quality of teaching	HW AH SG HD	Termly

<p>amount of progress as their peers and fulfil academic potential based on their relative starting points</p>	<p>supporting non-negotiable of Quality First Teaching</p> <p>Mentoring of teaching staff to ensure 100% of teaching is deemed good/outstanding</p> <p>Pupils to capitalise on opportunities to use feedback, written or oral, to improve Quality First Teaching.</p> <p>Whole staff CPD focusing on mental health and well-being to support children's learning.</p> <p>Parents to be provided with clear and timely information on how children are progressing in relation to expected standards.</p>	<p>but the rate of this needs to be accelerated (see year on year data analysis).</p> <p>Evidence: <i>Pupil Progress Data</i> <i>Learning Walks</i> <i>Observations Professional Development drop ins</i> <i>Pupil Books</i> <i>Parent Communication</i></p>	<p>and the impact on attainment and progress. 	support the delivery of new initiatives for vulnerable children.				
Total Budgeted Cost:					£10,000.00

Other Approaches					
Desired Outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff Lead	When will you review implementation?
Pupil Premium Children are engaged in all aspects of school life	The cost for school trips and residential visits will be subsidised for disadvantaged families.	Pupil Premium children benefit from all school trips and residential visits; they do not miss out on opportunities due to financial constraints.	FSM/Ever6 identification updated termly – parents identified and signposted to support. Early Years Pupil Premium identified.	HW AH SG HD JI	Term 4
Children are entitled to broaden their experiences	'The Southwold Passport of Experiences' – Year group activities for all Pupil Premium children with an identified specific learning experience.	It is evident from Pupil Voice that our Pupil Premium children do not always have the opportunity to experience days out due to financial constraints. 'The Southwold Passport of Experiences' will ensure all children have the opportunity to engage in first hand learning experiences. These identified specific learning experiences will build the foundation for creative writing.	All Pupil Premium children will leave Southwold with an extensive range of first hand experiences and opportunities. Pupil Voice includes reference to first hand experiences and utilises experiences to support written composition. Evidence <i>Pupil Voice</i>	HW AH SG HD JI	Term 4
Total Budgeted Cost:					£5000.00

5. Review of expenditure

Previous Academic Year | **2020-2021**

Quality of Teaching for All

Desired outcome	Chosen action/approach	Cost	Estimated impact	Lessons Learnt/Actual Impact
All Pupil Premium children make the same amount of progress as their peers and fulfil academic potential based on their relative starting points	<p>Allocated class TA support, including boosters and interventions, for every year group – supporting non-negotiable of Quality First Teaching</p> <p>Mentoring of teaching staff to ensure 100% of teaching is deemed good/outstanding</p> <p>Pupils to capitalise on opportunities to use feedback, written or oral, to improve Quality First Teaching.</p> <p>Whole staff CPD focusing on questioning styles and techniques,</p> <p>Parents to be provided with clear and timely information on how well they are doing in relation to expected standards.</p>	£28,000	Teaching Assistants in every class provide interventions for targeted children not achieving expected progress. The difference is diminishing between Pupil Premium and Non-Pupil Premium children.	Interventions that were consistent allowed for effective progress to be made. Provision mapping has been used to evaluate the effectiveness of interventions and analyse the impact on attainment and progress. Intervention time needs to be protected to ensure they take place regularly and as scheduled with minimal disruption. All data is uploaded to Pupil Asset which is easily accessible when reviewing individual progress and implementing suitable interventions.
Whole school training will ensure staff can best	Whole staff CPD focusing on questioning styles and techniques.		All staff to have the same training to ensure that there is a consistent	Supporting Mental Health and well-being has been a whole school initiative for this

support attainment, development and emotional wellbeing of all Pupil Premium children	Whole school CPD training entitled 'no two children are the same' focusing on understanding how to support each child's learning, behaviour and socialisation needs. Strategies from the training will be implemented in the whole school plan.		approach and expectation across the whole school.	academic year. Whole school training on mental health has been a priority to meet the needs of SEMH children. SEMH provision at Southwold has been acknowledged as a significant area of strength by outside agencies and supported significantly in the accreditation mark for Values Based Education. This was also highlighted by Ofsted in January 2019.

Targeted Support

Desired outcome	Chosen action/approach	Cost	Estimated impact	Lessons Learnt/Actual Impact
Support for families and pupils who are vulnerable or anxious	<p>Learning Mentors/Family Support Worker to engage with Parents and work 1:1 with children.</p> <p>Inclusion team used to support families during period of remote schooling through daily phone calls and weekly home visits.</p> <p>Support for children and families on the return to full time schooling from March 2021</p>	<p>£included in Learning Mentor and FSW costs</p> <p>£13000</p>	<p>Learning Mentors to work 1:1 with children to support emotional wellbeing. Children will develop coping strategies, raise their aspirations and engage in their own learning.</p> <p>Learning Mentors to schedule termly Parent Groups to increase parental engagement with Pupil Premium families. Service family coffee mornings scheduled monthly with</p>	<p>Morning transition support for vulnerable children identified – inclusion team supported morning transition.</p> <p>Introduction of the Sensory Room and Well-being Studio to support vulnerable pupils and accommodate nurture interventions.</p> <p>Parental engagement has been minimal with Pupil Premium families - minimal attendance to 1:1 meetings coffee mornings and focus groups. Various times and dates had</p>

			representatives from the Military in attendance.	little to no impact. Additional Jigsaw Families training in January 2021 to encourage parental engagement and support relationships between parent and child. Due to the pandemic, little intervention with parents face to face has been possible. This will be a big focus next year.
To increase parental engagement with school and build richer relationships between parents and children, and between parents and staff	<p>Family Support Worker to support identified Pupil Premium families and to encourage engagement with school.</p> <p>Family Support Worker to complete additional training on supporting the needs of Pupil Premium families: <i>Early Help Assessment training,</i> <i>Domestic Abuse Pathway,</i> <i>Homelessness Prevention,</i> <i>Housing advise,</i> <i>Think Family, SCIB training,</i> <i>Family Safeguarding</i></p> <p>Jigsaw Families programme to be delivered for identified families with a significant need for parental support.</p>	£included in Learning Mentor and FSW costs	<p>Family Support Worker to engage with parents and children to support identified needs and offer Early Help.</p> <p>Parental engagement and Early Intervention supports the child and family before the need for escalation by reducing risk factors and increasing protective factors in a child's life.</p> <p>Early Intervention can improve the child's home and family life, enabling them to reach their full potential and supporting their mental health.</p>	<p>Due to the Covid-19 Pandemic and Government closure of schools, we were unable to introduce the Jigsaw Families programme.</p> <p>During the closure of school all vulnerable children were identified and a risk assessment implemented. Families were contacted by a member of the inclusion team daily or three times weekly. Door visits were completed on a weekly basis. It was evident from parent voice that phone calls were valued and parents felt supported during the lockdown of schools.</p>

<p>Increase mental health and nurturing needs of identified children</p>	<p>Targeted nurture interventions and bespoke 1:1 sessions for identified children: <i>Forest Foragers</i> <i>KSI Nurture Group</i> <i>Caring Cadets</i> <i>Little Troopers</i></p> <p>Provisions implemented to support vulnerable children during the school day: <i>Pick and Mix</i> <i>Play Stop</i> <i>Mindfulness</i></p>	<p>£included in Learning Mentor costs</p>	<p>Targeted nurture interventions and bespoke 1:1 sessions allow children the opportunity to express any worries or concerns.</p> <p>Children are more focused and willing to learn, less low level disruption and spending more time in lessons. Children are able to communicate effectively on how they are feeling.</p>	<p>Due to the Covid-19 pandemic and closure of schools, nurture interventions and bespoke 1:1 sessions were not fully completed. This targeted approach allows the inclusion team to support children in a 1:1 provision focusing on individual needs.</p> <p>For all nurture interventions and 1:1 sessions SDQs will be implemented to capture all non-quantifiable data.</p>
