

Sports Premium Impact Statement

Primary Physical Education and Sport Premium

Since September 2013, all primary schools across England have received a share of the Government £150m per annum Primary Physical Education and Sport Premium. In September 2017 the total grant available was doubled to £300m. The funding is ring-fenced and must be spent on additional and sustainable improvements to the quality of PE and sport Primary Schools offer so that pupils develop healthy lifestyles. Our overriding aim is to achieve self-sustaining improvement in the quality of physical education in sport at Southwold School.

What does this mean for Southwold?

Southwold received £18750 for the previous academic year.

£2,000 of our grant has been spent on our annual affiliation to North Oxfordshire School Sport Partnership (NOSSP).

This affiliation gives Southwold access to:

- regular expert advice and support from a secondary PE specialist,
- quality assured professional development training for teachers and teaching assistants,
- termly networking opportunities for our PE lead,
- occasional input and support from qualified sports coaches,
- access to regular sports competitions and festivals including national School Games competitions,
- support with the development and delivery of primary Change4Life sports clubs,
- links to quality assured community clubs and leisure providers,
- data collection to help measure and monitor progress and impact,
- regular national and local updates relating to PE,
- children's health and well-being and school sport.
- NOSSP affiliation also provides automatic primary Level 2 membership to Youth Sport Trust and a range of additional benefits and support including the Youth Sport Trust Quality Mark.

Southwold has achieved Silver Youth Sport Trust Quality Mark 2017-19 for our current PE provision and outcomes, and Gold School Games Mark 2017-18 and 2018-19 for our commitment to and the development of competition, school sport and physical education across our school and into the local community.

2018/2019 Impact Statement

Southwold School received £18750 for the academic year 2018/19.

Sports Premium Impact Statement

£2000 of this funding was spent on our annual affiliation to North Oxfordshire School Sport Partnership (NOSSP). This included Southwold School having access to regular expert advice from a PE specialist, this offered:

- Occasional in school support for teachers from specialist PE mentors,
- quality assured professional development training for teaching assistants,
- occasional input and support from qualified sports coaches,
- access to regular sports competitions and festivals including national School Games competitions,
- support with the development and delivery of primary Change4Life sports clubs
- evaluation tools to help measure and monitor progress and impact.

NOSSP also provided full primary membership to Youth Sport Trust and a range of additional benefits and support including the Youth Sport Trust Quality Mark.

The remaining money was spent to raise the profile of PE, improve the quality of PE provision and increase child's participation in extra-curricular activities and competitions. All children on roll at Southwold School participated in Level 1 house competitions throughout the year. Southwold have attended and participated in over 23 Level 2 and 3 competitions/festivals. All children now participate in an extra 10 minutes of physical activity per day due to the Daily Mile initiative. The additional funding has enabled more children to attend these events and for school to cover costs of transport and specialist teaching and training.

Southwold have also funded taster sessions (tennis and fit4kids) to signpost children to physical activity outside the remit of school – this has ensured that over 85% of KS2 children were engaged in extra-curricular sport. During Sports Week, the children experienced taster sessions in: Karate, Judo, Latin American dance and Frisbee golf. This has led to more children accessing and expressing an interest in these activities outside of school.

Southwold expenditure forecast for 2019/2020
