Primary Physical Education and Sport Premium

Since September 2013, all primary schools across England have received a share of the Government £150m per annum Primary Physical Education and Sport Premium. In September 2017 the total grant available was doubled to £300m. The funding is ring-fenced and must be spent on additional and sustainable improvements to the quality of PE and sport Primary Schools offer so that pupils develop healthy lifestyles. Our overriding aim is to achieve self-sustaining improvement in the quality of physical education in sport at Southwold School.

What does this mean for Southwold?

Southwold received £18210 for the previous academic year.

£3,000 of our grant has been spent on our annual affiliation to North Oxfordshire School Sport Partnership (NOSSP).

This affiliation gives Southwold access to:

- regular expert advice and support from a secondary PE specialist,
- quality assured professional development training for teachers and teaching assistants,
- termly networking opportunities for our PE lead,
- occasional input and support from qualified sports coaches,
- access to regular sports competitions and festivals including national School Games competitions,
- support with the development and delivery of primary Change4Life sports clubs,
- links to quality assured community clubs and leisure providers,
- data collection to help measure and monitor progress and impact,
- regular national and local updates relating to PE,
- children's health and well-being and school sport.
- NOSSP affiliation also provides automatic primary Level 2 membership to Youth Sport Trust and a range of additional benefits and support including the Youth Sport Trust Quality Mark.

Southwold has achieved Silver Youth Sport Trust Quality Mark 2017-19 for our current PE provision and outcomes, and Gold School Games Mark 2017-18, 2018-19, 2019-20 and 2021-22 for our commitment to and the development of competition, school sport and physical education across our school and into the local community. Southwold also came first in the Street Tag competition (virtual tag game to encourage families to be more active).

2021-22 Impact Statement

Southwold School received £18170 for the academic year 2020/21. With an additional £10252 rolled over from previous year. £3000 of this funding was spent on our annual affiliation to North Oxfordshire School Sport Partnership (NOSSP).

This included Southwold School having access to regular expert advice from a PE specialist, this offered:

- Occasional in school support for teachers from specialist PE mentors,
- quality assured professional development training for teaching assistants,
- occasional input and support from qualified sports coaches,
- access to regular sports competitions and festivals including national School Games competitions,
- support with the development and delivery of primary Change4Life sports clubs
- evaluation tools to help measure and monitor progress and impact.

NOSSP also provided full primary membership to Youth Sport Trust and a range of additional benefits and support including the Youth Sport Trust Quality Mark.

£10000 was invested in developing Reception outdoor area to allow for more gross motor opportunities, enabling early years development to be a key focus and readiness for the National Curriculum PE and sports curriculum.

The remaining money was spent to raise the profile of PE, improve the quality of PE provision and increase child's participation in extra-curricular activities and competitions. All children on roll at Southwold School participated in Level 1 house competitions throughout the year. Southwold have attended and participated in 5 Level 2 and 3 competitions/festivals, this year. All children now participate in an extra 10 minutes of physical activity per day due to the Daily Mile initiative. The additional funding has enabled more children to attend these events and for school to cover costs of transport and specialist teaching and training.

Southwold have also funded taster sessions (football, dance and karate) to signpost children to physical activity outside the remit of school – this has ensured that over 95% of KS2 children were engaged in extra-curricular sport. Our Sports Week was held, where children were given challenges to complete within their classes. This included carousel of sporting events, including javelin speed bounce, throwing beanbags at a target and hurdles. 100% of children participated in these activities in some way. They represented their houses and there was an inter-school competition on sports day.
