

SOUTHWOLD MATHS STORY COMPETITION

Write a story based on one mathematical topic.

You may like to read/ listen to these maths stories to gain some ideas:

<https://www.booksfortopics.com/booklists/topics/science-maths-computing/maths/>

- Closing date for entries – **Thursday 23rd March 2023**

Entry Requirements

- **One entry per child**
- **Story must be written by the child**
- Each story should clearly **focus on one mathematical topic**
- Where possible, **students' own drawings** are strongly encouraged to avoid any copyrights issues;
- You can use any genre
- All entries **must not exceed 10 A4 pages** (excluding front and back covers) - consider using our suggested mathematical story picture book template
- The **front cover must contain: 1) the story's title; 2) the names of the author and their school.**
- All **pages should be numbered** (excluding front and back covers)
- All entries should be submitted in the **'portrait' format** (as opposed to the 'landscape' format);

All KS2 entries have the chance to be put through for an official Maths Through Stories Competition.
