## **ACCESSIBILITY PLAN**

## ACCESSIBILITY PLAN- 1<sup>st</sup> July 2023

*We believe that this Accessibility Plan is compliant with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. School Headteacher, SENCO and Estates manager are accountable for ensuring the implementation, review and reporting on progress of the Accessibility plan over a prescribed period.*

1. The Southwold Primary School & Nursery Accessibility Plan has been drawn up based upon information supplied by the Local Authority (LA), and in conjunction with pupils, parents, staff and governors of the school and will advise other school planning documents. The Accessibility Plan will be reported upon annually in respect of progress and outcomes, and provide a projected plan short, medium and long term plan ahead of the next review date. This plan was updated in October 2014 to reflect new statutory requirements for the setting of Equality Objectives.
2. The Accessibility Plan is structured to complement and support the School's Equality Objectives, and will similarly be published on the school website. We understand that the LA may monitor the school's activity under the Equality Act 2010 and will advise upon the compliance with that duty.
3. We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.
4. The Southwold Primary School & Nursery plans, over time, to increase the accessibility of provision for all pupils, staff and visitors to the school. The Accessibility Plan will contain relevant actions to:
  - Improve access to the **physical environment** of the School, adding specialist facilities as necessary. This covers making reasonable adjustments and improvements to remove physical barriers to access the buildings and provide physical aids to access education as necessary.
  - Increase access to the **curriculum** for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied peers. This covers teaching and learning and the wider curriculum of the School such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist **auxiliary aids and equipment**, which may assist these pupils in accessing the curriculum.
  - Improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, leaflets and information about the School and school events. The information should be made available in various preferred formats within a reasonable time frame.
5. The Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.
6. Whole school training will recognise the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

7. The Accessibility Plan should be read in conjunction with the following policies, strategies and documents:

- Curriculum
- Equal Opportunities Policy and objectives
- Staff Development
- Health & Safety (including off-site safety)
- Disability Equality Scheme
- Inclusion
- Special Educational Needs
- Behaviour
- School Improvement Plan
- School Brochure and Mission Statement
- Teaching and Learning Policy

8. The Accessibility Plan will be published on the School/WHF website.

9. The Accessibility Plan will be monitored through the Local Governing Body.
