

26th June 2026

Dear Parents and Carers,

Friday Update: Weather

The weather forecast for Monday is for temperatures to return to a seasonal average. We anticipate being able to return all activities to normal.

I would like to thank the whole school community for supporting each other through this heat wave. The pupils who have been onsite have managed the many changes very well – the use of social stories, visuals and schedules have helped all pupils understand the changes and why these changes have taken place.

I wish you all a cooler weekend and I look forward to seeing everyone on Monday.

As always, please do not hesitate to contact us if you have any questions.

Kind regards,

A handwritten signature in black ink, appearing to read 'G. Quigley'.
