

Dear Parents and Carers,

Re: Invitation to Online Safety Webinar for Parents – Tuesday 7th July 2026

We are pleased to invite you to attend an Online Safety Live Webinar designed to support you in keeping your child safe in today's digital world.

As children and young people increasingly access online platforms, it is essential that we understand the potential risks they may face and how we can work together to reduce them. This session will help you to explore current online risks and provide practical guidance on how to speak with your child about these issues in a supportive and effective way.

The webinar will also cover:

- How to report online safety concerns
- How to use parental controls and filters to help keep children safe
- Key information about the Online Safety Act, which aims to make online platforms, including social media, safer for children and young people

We would like to invite parents and carers to attend this session in school, where you will be able to watch the webinar together and take part in a live Q&A session, giving you the opportunity to ask questions and gain further advice.

Webinar Details: Date: Tuesday 7th July 2026 Time: 10:00am – 11:00am Location: School (Meeting Room / Family Room)

Online Access (for those unable to attend in person):

Microsoft Teams meeting Join:
