

Spa Bermondsey Newsletter

The days are getting longer and warmer and we have had lots of exciting events at Spa Bermondsey this half term!

A big thank you to everyone who came to our Variety Show at the end of April. It was really well attended and we were so proud of the videos our classes produced! Our theme this year was British Icons and we had an eclectic mix of music including the Beatles, Blur, Scott Garcia, Stormzy, S Club 7 and David Bowie. The pupils (and staff) worked very hard all Spring term—with those not on camera working hard behind the camera.

5F have been going to the Community Kitchen in the Blue each week. They have been taking their skills from Cooking lessons and transferring them to an industry standard kitchen. Word of their excellent cooking must have got out as Neil Coyle MP dropped in for a surprise visit last week!

The Circus came to town at the beginning of the month! Pupils had a whole school assembly and then had class workshops where they learn juggling, plate spinning and tightrope walking.

Parent Coffee Morning - Wednesday 17th June

As we approach the final term of the academic year, we will be hosting a special parents coffee morning on **Wednesday 17th June at 9:30am**.

This gathering will be a warm and informal opportunity for parents to reflect on the year—sharing what they felt went well, celebrating successes, and highlighting moments that made a difference.

We'll also be inviting parents to talk about what they hope to see more or less of next year, helping us shape an even stronger and more supportive school experience for our community. Your voices play a vital role in our planning, and we look forward to a positive and collaborative conversation over coffee.

Letters to express interest in attending will be sent out at the beginning of the new term so do keep an eye out and we look forward to seeing you there.
