27th March 2026

Dear Parents and Carers,

As we come to the end of the Spring Term, I would like to thank you for your continued support. It has been a pleasure to see our pupils learn and achieve so much across the term.

This term, we have continued to prioritise communication and wellbeing. Staff training, Social Communication lessons, and parent workshops have all supported our shared goal of developing pupils' communication skills. We have also begun working towards the Wellbeing Award for Schools, further strengthening our focus on mental health across the school community.

There have been many highlights, including cricket coaching, creative workshops, World Book Day, and our Music Technology project, which culminated in a fantastic performance. Pupils also enjoyed visits such as the I Am Festival at Tate Modern and took part in valuable careers and independent travel training, helping to prepare them for the future.

Children's Mental Health Week gave us a chance to reflect on the importance of belonging, while our Student Council continued to play an important role in sharing pupil voice.

This term we said goodbye to several valued members of staff. Alan, our Finance Manager, moved on to new opportunities after 20 years of dedicated service.

We also said goodbye to Abbie and Adela, who have been wonderful teachers and have supported many children and their families during their time with us. We are very sorry to see them go, and we will miss them dearly. We wish them all the very best in the next stages of their careers.

Thank you to all parents and carers who have attended training sessions and supported pupils' attendance this term. Your involvement makes a real difference.

We look forward to welcoming everyone back on Tuesday, 14th April for the start of the Summer Term. Please do make sure all pupils arrive on time for the start of the school day.

We wish you a restful break.

Warm regards,

Steph Lea

The poster is for "Easter Holiday Activities" and features a pink background with a grid pattern. It includes the Southwark Council logo in the top right, the Southwark Equality logo in the top left, and a cartoon rabbit on the right. The main title "EASTER Holiday ACTIVITIES" is in large, bold letters. Below the title, it says "For Southwark children & young people with SEND aged 5+". Three Polaroid photos illustrate activities: a child painting, a family with a child in a wheelchair, and a child playing soccer. The text "Craft & sensory activities!", "Family trips & events!", and "Sports and physical activity!" is written above the photos. A blue box at the bottom contains the website link "www.eequ.org/southwarkshortbreaks". Below that, it says "FOR FURTHER INFORMATION EMAIL disabilityhub@keyring.org". A QR code is in the bottom right, and a small asterisk note is at the very bottom.
