

11th June 2021

Dear Parents and Carers,

Now that the good weather is here we can go ahead with our Afternoon Teas on the Green. Please feel free to come along to school on the dates below. You will be able to spend a little time getting to know some of the other families in your child's key stage.

Our afternoon teas are being hosted by students on work experience from The Park College – they will make sure you are very welcome.

The dates and times are below:

Key Stage Three: Tuesday June 15th from 2.30pm
Key Stage Two: Wednesday June 16th from 2.15pm
Key Stage One: Thursday June 17th from 2.15pm

Please remember to send in any sunscreen your child may need. Make sure it has their name on it and you have completed the permission form we sent earlier this week.

Thanks to Gemma for tracking down some navy polo shirts for our primary children. We have ordered quite a few and will let you know once they are here.

The weather is due to be very hot on Monday so do make sure your son or daughter has their cap.

Have a lovely weekend,

A handwritten signature in blue ink that reads "Steph Lea".
