

19th January 2024

Dear Parents and Carers,

Many thanks to all of you who have managed to get pupils to school on time this week. We are starting to see a difference. We still have more room for improvement but the start of the day for each class is working well.

Southwark Youth Parliament Update

Dear Spa Camberwell,

So far, I have attended four Southwark Youth Parliament meetings. The most recent one was Wednesday evening. Southwark wants to listen to young people's opinions about how the neighbourhoods can be transformed to create more open spaces, so we talked about getting young people's views on this. We also talked about how to help more young people get into work by giving them more opportunities.

I am enjoying my time with the Southwark Youth Parliament; I am really learning a lot!

Training for families

We are continuing our family training programme next week.

ParentPay

Please accept our apologies. There was a problem with Parent Pay and secondary school meals. It seems no payments were debited between October and December. The office staff will give you a call next week if there are still any issues to address.

Contact Details

Please make sure we have up to date contact details for you. We often send messages by text and we don't want you to miss them.

Pantomime

All tickets for secondary aged pupils have been allocated for the pantomime. We are all looking forward to Tuesday evening and will let you know how it goes.

Best wishes,
