A special school for pupils with autism

Friday June 21st 2024

Dear Parents and Carers,

Dance

A huge thank you to the families who attended the session led by Corali on Monday morning. It was great to see what the pupils were able to learn over the morning and it was a great sharing session. Monday's session was for pupils 14 and above and was linked to a summer project that they are running.

Next week, classes who have dance sessions with Holly and Paddy are having a sharing session at school. If your child is in one of those classes, you will receive information about joining for that. Following on from the success of the KS3 visit to the Royal Academy of Dance earlier this term, we are hoping some primary classes may be able to join a primary sharing event next year.

Transport

Southwark are requesting feedback about home school transport which also includes families who receive a personal budget towards journeys to and from school. There are questionnaires to complete which can be found at the following links:

- Home to School Transport Questionnaire: <https://engage.southwark.gov.uk/en-GB/projects/hometoschoolparentcarersurvey>
- Home to School Transport Questionnaire (Easy Read): <https://engage.southwark.gov.uk/en-GB/projects/easyreadparentcarersurvey>
- Personal Budgets Home to School Transport Questionnaire: <https://engage.southwark.gov.uk/en-GB/projects/personalbudgetparentcarersurvey>

They are also holding two virtual drop in sessions which is another opportunity for you to give your feedback.
