

Spa Camberwell, Southampton Way, SE5 7EW
A special school for pupils with autism

26th January 2024

Dear Parents and Carers,

We've had some great events this week.

Key Stage 4 pupils visited a careers fair at Orchard Hill college. They are doing well considering choices for the future.

Secondary pupils and their families had a fabulous night out at The Peacock Theatre on Tuesday. We had a lot of fun watching Beauty and the Beast.

Fizz Free February

We are taking part in the Southwark Fizz Free February campaign, which will include a Fizz Free February assembly on the 7th of February. The Key Stage 3 and 4 pupils will each have a Fizz Free February tracking sheet in their diaries today. It's a great way for families to work together to reduce their fizzy drink intake and see their progress.

Family Training

Next week's training is for families of pupils in Key Stage 2. Join Jenny on:

Tuesday January 30th at 2.15

Opportunities for learning about number at home

The Neurodiversity Family Hub - Art & craft session

The Neurodiversity Family Hub is hosting an **Art & craft session** with an **Art Tutor and SEN specialist support** for *Remarkable Girls* on the spectrum (Autism and ADHD) aged *10-18 years old* - **Only 3 Saturdays: 27th Jan, 24th Feb and 23rd March**. Email info@theneurodiversityfamilyhub.org to register interest or text or call on: 07428648710 mentioning SPARGS. To book online click on this link: <https://eequ.org/experience/6466>.

The Neurodiversity Family Hub - Soundwave workshops

This is an opportunity for teenagers **aged 11-18 with Neurodiversity** to craft their very own podcast from the ground up.

Specifics: Specialist SEND support on site

When: Sunday 11 February, 10 March and 31 March 2024

Where: 56 Southwark Bridge Road, London SE1 0AS

How to book: <https://eequ.org/experience/6476>

Circus Sensible

Circus Sensible is coming to school next Monday. All the pupils will have a chance to watch and try some circus skills. We'll share some photos next week.

Owning a smart phone

The Institute for Digital Media and Child Development have put together some tip sheets for parents to help in making decisions about phones for children. There are 3 parts:

- Assessing readiness.
- Preparing for healthy use.
- What now?

You can view all the tip sheets [HERE](#).

Year 9 Vaccinations

There are walk in sessions for any young people who missed the school vaccinations. Please see the information below.

Best wishes,

Steph Lea

Executive Headteacher

For children: – Year 9 Diphtheria, Tetanus and Polio (DTP), Meningitis ACWY & Measles, Mumps and Rubella (MMR).
