A special school for pupils with autism

February 2nd 2024

Dear Parents and Carers,

Everyone enjoyed the circus this week. It was a great day.

Children's Mental Health Week

February 5th to 11th is Children's Mental Health Week. Pupils will be taking part during their Mindfulness lessons next week. We will be celebrating on Friday with our "Express Yourself" day. Pupils can wear their favourite clothes or colours or of course their regular uniform if they prefer.

Place 2 Be have lots of information on their website and can you find information and activities for families at home here: [Children's Mental Health Week](#)

Half term holidays

Next week is the last week of this half term. School will finish at the normal time on Friday February 9th. All pupils return on Monday February 19th

Fizz Free February

We are taking part in the Southwark Fizz Free February campaign, which will include a Fizz Free February assembly on the 7th of February. The Key Stage 3 and 4 pupils will each have a Fizz Free February tracking sheet in their diaries today. It's a great way for families to work together to reduce their fizzy drink intake and see their progress.

Best wishes,

Steph Lea
