A special school for pupils with autism

March 22nd 2024

Dear Parents and Carers,

Online Safety

Supporting children and young with SEND online | Internet Matters

Internet Matters have a great range of guides and advice hubs available for parents of neurodivergent children including connecting and sharing online, online gaming and more.

You can access all the guides [HERE](#).

Thankyou

Last week raised £100 for Comic Relief. Alan has sent off our donation. A big thank you once again for your contributions.

Community Learning

A group of Year 9 pupils visited the Globe Theatre this week to see Romeo and Juliet. Everyone enjoyed the performance.

4W visited the EY Foundation. They took part in an Employability Workshop. They developed their interview skills and accessed external career guidance.

3M visited The Coffee Shop at The Park College. They were learning about food preparation in their cooking lessons with Flora. They were also able to use money in great context. The staff at the café contacted me to say how much they enjoyed having the students visit.

Personal Development: the enrichment programme

We offer a rich curriculum and make sure all our pupils access as many opportunities as possible. We change them each term to make sure each class has access to a broad a range of enrichment activities as possible.

This term 3F and Rye class have been swimming at Crystal Palace. They have all done well but it is now time for others to have their turn. We will be writing to you next week if your child will be swimming in the summer term.

The dance, karate and yoga session may also change for some children. We will share any updated timetable with you after the holidays.

Thanks to all of you who attended our Dance Showcase sessions this week. It was good to see you there.

Saturday Sports Club

One of our parents has launched a GoFundMe campaign to save the Saturday sports club. Click the link if you want to contribute.

End of term

Thursday March 28th is the last day of the spring term. School will close at the regular time.

The new term starts on Tuesday April 16th.

Have a good weekend,

Steph Lea
