

March 28th 2024

Dear Parents and Carers,

Well done to everyone for all their hard work this term. We have had some great successes.

Attached with this letter is your child's Personal Learning Plan showing the targets they have achieved this half term.

Annual reviews will continue after the break. There will be a special meeting explaining how this works for the families of children in Belair Class.

Please join Erin and Beth on Thursday 18th April at 2:30pm.

Online Safety - Resource for 11+ - CyberFirst Navigators

In November last year the National Cyber Security Centre (NCSC) put together a series of videos to help young people stay secure online. The videos follow Olivia, Luca and Raheem and young people are able to make choices about the actions that should be taken in response to an account getting hacked.

It's a really good resource allowing for discussion about what the actors should or shouldn't do, students own experiences. The resource is completely free and you can access from the NCSC website [HERE](#).

Holiday Activities
