SPA EDUCATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year ended 31st August 2021. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charitable company's Memorandum and Articles of Association, the Companies Act 2006, the Statement of Recommended Practice 2015, "Accounting and Reporting by Charities", and the Academies' Accounts Direction 2020/2021 issued by the ESFA.

Spa Education Trust is a community made up of students, parents, staff, governors and trustees, working together. Our vision is to provide excellence in education for students with autistic spectrum disorders. The trust aims are that all students:

- are happy safe and healthy;
- learn and achieve at every level;
- develop independence and self-advocacy;
- Work with parents and carers to contribute fully to students' progress.

During the period, the Trust operated Spa School Bermondsey and Spa School Camberwell.

Structure, governance and management

Constitution

Spa Education Trust was incorporated as a company on 20th June 2018 and the predecessor school (Spa School) converted to academy status on 1st September 2018, at which time the trust became operational. Spa Education Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the trust.

The trustees are also the directors of the charitable company for the purposes of company law and they are trustees of the charitable company.

Details of the trustees who served during the year are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the trust undertakes to contribute to the assets of the trust in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

No indemnities have been given to any third parties on behalf of any trustees.

Method of recruitment and appointment or election of Trustees

In accordance with the articles, the trustees of the trust are the directors of the trust. They are appointed as follows:

- Up to ten trustees appointed by the members;
- The Chief Executive Officer (who is the Executive Headteacher) if they agree so to act;
- a minimum of two parent trustees where Local Governing Bodies (LGB's) have not been established or if no provision is made for at least two parent governors on each LGB;
- The trustees may appoint Co-Opted Trustees

Policies and procedures adopted for the induction and training of Trustees

The training and induction provided for new trustees will depend on their existing experience. Where necessary, induction will provide training in charity, educational, legal and financial matters. All trustees are provided with the information needed (including policies, minutes, budgets, etc.) to undertake their role as trustees.

SPA EDUCATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

Organisational structure

The Board of Trustees, the majority of whom are non-executive, comprises those persons appointed under the Articles of Association. The board meets at least three times a year and delegate specific responsibilities to committees, which deal with policies, developments and assessment of different areas of the running of the trust. The committees are as follows:

- Operations Committee
- Local Governing Bodies

All of the committees are formally constituted with terms of reference and comprise appropriately qualified and experienced members. The activities of the committees are reported to and discussed at Trust Board meetings.

The Executive Headteacher, who is the Accounting Officer and is supported by the leadership team and the Senior Finance Officer, undertakes day-to-day management of the trust.

Arrangements for setting pay and remuneration of key management personnel

The trust leadership team are the key management personnel of the trust. Trustees are also leaders but receive no pay or other remuneration in respect of their role as trustees. Where staff trustees are in place, they receive remuneration for their role as staff and their pay is determined in the same way as applicable to all other staff. Further details of remuneration paid to staff who are trustees is set out within the notes to the accounts.

The Operations Committee sets the pay of the Executive Headteacher annually, having regards to performance against objectives set the previous year. Pay of all senior leaders are also set by the Operations Committee having regard to performance against previously agreed objectives and any recommendations made by the Executive Headteacher.

SPA EDUCATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

Related Parties and other Connected Charities and Organisations

Objectives and activities

Objects and Aims

The principal object of the trust is defined in its Articles of Association. It is to provide excellence in education for students with autistic spectrum disorders by offering a broad and pupil focused curriculum. It achieved this object during the year ended 31st August 2021 by operating Spa School Bermondsey and Spa School Camberwell.

Spa Education Trust Annual report 2020-21

Spa Education Trust provides excellence in education for pupils with autism.

The pupils in Spa schools:

- are happy, safe and healthy
- develop communication skills and independence while learning and achieving
- are ready for the future

The Trust consists of two schools Spa Bermondsey and Spa Camberwell.

Spa Bermondsey is a special school for 100 pupils aged 11 -19 with autism and associated learning difficulties.

Spa Camberwell is a special school that will eventually cater for up to 120 pupils aged 6 – 16 with autism and associated learning difficulties.

Spa Camberwell

The most significant achievement for the Trust in 2020-21 was the opening of Spa Camberwell in September 2020. This was the culmination of years of careful planning and working closely with the DfE, Southwark and building contractors. The school had passed its Ofsted pre-opening inspection in June and in September opened to 42 pupils in six classes.

Steph Lea, the Headteacher, has done a thorough job in establishing the Spa ethos, training staff, and implementing systems to ensure that pupils are safe and happy, and that they are able to thrive. Spa Camberwell is an exemplar of good autism practice; feedback from visitors is consistent in communicating how impressed they were with the school.

Spa Bermondsey

Spa Bermondsey continued to provide an outstanding education for its pupils in 2020-21. It is over-subscribed, despite opening two additional classes in recent years. In September 2020, we adopted two new major IT systems. The first is CPOMS, which is used for recording and analysing behaviour. The second is Earwig, which is an assessment system that also supports target setting and reporting.

The three main areas of school development this year were reading, assessment, and pupil wellbeing: We made good progress in all three areas. Teacher observations and monitoring showed that almost all teaching is good or outstanding.

COVID

Both schools remained open to all pupils who chose to attend throughout both lockdowns. We continually updated our COVID risk assessment, in response to advice from Public Health England and the DfE. We established testing centres in the schools for lateral flow tests and staff were trained to support some pupils in administering twice weekly tests (we have since moved to home testing). We kept our key stage bubbles and staff recorded all of their close contacts so that we could act quickly and effectively when there was a case.

Pupils who stayed at home during lockdown were offered laptops or routers to help them access education remotely. We continued to deliver learning packs to these pupils, but also put more lessons on our learning

SPA EDUCATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

platform. Teachers recorded reading and other sessions and pupils were able to log on for live lessons. We also had weekly or twice weekly welfare calls with pupils and their families.

Parental Engagement

This year we joined Parent Hub as a method of helping to increase parental engagement. Both schools have a Family Support Worker and we continued to run parent events through the year. Some training sessions were via zoom (due to COVID) and other social and training events were held at the schools.

Governance

The Governance model for the Trust evolved in 2020-21 to take into account having two schools. We now have a model of Governance that should serve the Trust into the future, even if it grows to accept more schools.

Both Spa Camberwell and Spa Bermondsey had their first meetings of their newly established Local Governing Bodies in the summer term. These have replaced the Trustee Committee. Operations (finance, HR, premises) will continue to be overseen at Trust level, while pupils' attainment and wellbeing will be overseen by the local governing bodies.

Centralised services

In 2020-21, the Trust began the process of centralising key functions for the schools. Finance, HR and capital projects are now managed on a Trust basis rather than by individual schools. We also have teachers' co-ordinating some subjects for both schools, and have run a number of training events across both schools.

Finance

In the summer, we were facing with a deficit budget in 2021-22, due to the costs of opening a new school, and asked Southwark for financial support to remedy this. Southwark have agreed to increase our pupil top-up by just over £2,500 per pupil from April 1st, which will remove the risk of having a deficit budget, and put us on a secure financial footing in the coming years.

Training and Outreach

Spa Education Trust continued to provide training and outreach for other schools and organisations in 2020-21. This included special needs training to over 200 trainee teachers in The Harris Federation. It also included Team Teach (safe physical intervention) training to a number of other special schools. We are also helping write Southwark's new autism strategy.

The Park College

The Park College is a joint project of Spa Education Trust and Southwark Council. It teaches employment skills and provides work experience to young adults aged 19 – 25 with autism. The college finished its second year in the summer is going from strength to strength. The staff who work at the College are employed by Spa education trust and the College reimburses the costs. As the College grows, it will become more independent.

Public benefit

In setting the objectives and planning the associated activities, trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements.

SPA EDUCATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

Financial review

We receive our income from a number of different sources. The majority of our income comes from central government via the Education and Skills Funding Agency and the Local Authority who provide us with funding based largely on our student numbers to cover our staffing and other general running costs (General Annual Grant – GAG & High Needs SEN Funding). The ESFA may provide us with additional grants, which are earmarked for specific purposes (such as Pupil Premium, which must be used to raise the attainment of disadvantaged pupils). These appear in the accounts as DfE/ESFA grants. Where we receive grant or other funding from the Local Authority (such as where we undertake responsibilities on their behalf in respect of our students) this appears in the accounts as other government grants. Such income is collectively referred to as "Restricted Funds".

Other income is received from parents and from some third parties. Such other income may be restricted or unrestricted, depending on whether it comes to us with conditions as to its use or whether it is available for spending at the discretion of the trustees.

We hold funds in two broad categories, funds that are available for spending and other funds that are not available for spending. Spendable funds are in turn sub-categorised between those, which are available for spending at the discretion of Trustees ("Unrestricted Funds"), and those, which are subject to condition or restriction, ("Restricted Funds").

Funds not available for spending include the book value of fixed assets such as land, buildings and equipment. These have a value and are therefore included as assets in the accounts but clearly, we cannot spend this value. In common with all academies and Local Authorities, our share of the Local Government Pension Scheme deficit must also be reflected in our accounts and as this is not a conventional liability, it does not need to be deducted from spendable funds. We meet our obligations in respect of the LGPS by paying over pension contributions due as calculated by the scheme's actuaries.

The following balances held were held at 31 August:

Fund	Category	2021 £'000	2020 £'000
GAG	Restricted General Funds	-	-
Other ESFA /Government Grants	Restricted General Funds	-	85
Other Income	Restricted General Funds	-	174
	Sub-total General Restricted Funds	-	259
Unspent Capital Grants	Restricted Fixed Asset Fund	419	52
Other Income	Unrestricted General Fund	80	124
	Sub-Total Spendable Funds	499	435
Net Book Value of Fixed Assets	Restricted Fixed Asset Fund	30,054	7,729
Share of LGPS Deficit	Restricted Pension Reserve	(1,667)	(1,268)
	Total All Funds	28,886	6,896

During the year under review, there was a decrease of £303k (2020: increase of £259k) on general restricted funds, a decrease of £44k (2020: increase of £5k) on unrestricted funds and after LGPS valuation adjustments, depreciation and capital income and expenditure, an overall increase of £21,990k (2020: decrease of £100k).

Reserves policy

The principal policy on reserves is that accumulation of unspent GAG balances should not breach any limits thereon set out in the funding agreement. The level of reserves should never be in deficit.

Each year the trustees review the resource requirements and grant and other income that is forecast for the coming year and an annual budget is formulated and approved.

SPA EDUCATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

Investment policy and powers

There are no investments held beyond cash deposits retained with the major UK clearing banks. Speculative investments are not permitted.

Principal risks and uncertainties

The trustees have assessed the major risks to which the trust is exposed, in particular those relating to academic performance/finances/child welfare/admissions. The trustees have implemented a number of systems to assess risks that the trust faces, and have developed policies and procedures to mitigate those risks. Where significant financial risk still remains they have ensured they have adequate insurance cover. The trust has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

The principal financial risk faced by the company is that ongoing pressure on funding results in a risk that deficits may be experienced. The budgeting and reporting process, including scrutiny by the trustees of actual financial performance, mitigates the risk.

As the nature of the financial instruments dealt with by the company is relatively simple (bank balances, debtors and "trade" creditors), trustees consider the associated risk in this area to be minimal.

The risk resulting from the company's share of the LGPS deficit is managed by following the advice of the scheme's actuaries, specifically as regards the level of contributions payable, ensuring that annual budgets are drawn up to reflect the actuary's advice.

Most of the company's income is obtained from the DfE (via the Education and Skills Funding Agency and the Local Authority) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the year ended 31st August 2021 and the associated expenditure are shown as restricted funds in the statement of financial activities.

Our fundraising practices

Staff employed by the trust will organise fundraising events, appeals, and co-ordinate these activities both within the academy school and in the wider community on behalf of the trust.

The trust does not use professional fundraisers or involve commercial participators.

There have been no complaints about fundraising activity this year.

The trust complies with the Fundraising Regulator's Code of Fundraising Practice.

All fundraising is undertaken by the trust in a manner that seeks to ensure that it is not unreasonably intrusive or persistent. Contact is made through email, academy newsletters and our websites. All fundraising material contains clear instructions on how a person can be removed from mailing lists.

Streamlined energy and carbon reporting (SECR)

We are not a large trust in the context of the Companies Act so we do not need to include this in the trustees report but we will look to do this on a voluntary basis in the future. We will do this on our website.

Funds held as custodian trustee on behalf of others

The academy trust is not acting as custodian for any other external body.

SPA EDUCATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2021

Auditor

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 13th December 2021 and signed on its behalf by.

Holly McAlpine
Chair of Trustees

SPA EDUCATION TRUST

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2021

Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Spa Education Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Executive Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Spa Education Trust and the Secretary of State for Education. The Accounting Officer is also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met three times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustees	Meetings attended	Out of possible
Holly McAlpine	3	3
Lipi Begum	3	3
Simon Eccles	3	3
Bridget Gilchrist	1	1
Beverley Jeavons	3	3
Krys McInnis	3	3
Chris Nicholson	3	3
Megha Okhai	3	3
William Page	3	3

There have been no changes to the composition of the Board since its formation in June 2018.

Governance reviews:

The Board of Trustees completed a governance review during the year, which comprised a skills audit. Where gaps were identified, plans were implemented to address these through trustee training.

The Operation Committee is a committee to which the main Board of Trustees has delegated responsibility. Its purpose is:

- Regular monitoring of actual income and expenditure
- Review and recommendation of the annual budget
- Review the reports of the auditors on the effectiveness of the financial procedures and controls
- Fulfil the role of an Audit Committee

Attendance during the year at meetings of the Operations Committee was as follows:

Trustees	Meetings attended	Out of possible
Holly McAlpine	2	2
Lipi Begum	2	3
Simon Eccles	3	3
Bridget Gilchrist	1	1
Beverley Jeavons	2	3
Krys McInnis	3	3
Chris Nicholson	1	3
Megha Okhai	1	3
William Page	2	3

SPA EDUCATION TRUST

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2021

Review of Value for Money

As accounting officer, the Executive Headteacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- We have taken the decision to centralise our key functions for the schools. Finance, HR and capital projects are now managed on a trust basis rather than by individual schools.
- We have some teachers' co-ordinating some subjects for both schools, and we have run a number of training events across both schools.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in the trust for the year ended 31 August 2021 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the significant risks that has been in place for the year ended 31 August 2021 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Board of Trustees.

The risk and control framework

The trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability.

In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Operations Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- Identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided to appoint an internal auditor for the trust for the 2020/21 financial year.

The role will include giving advice on financial matters and performing a range of checks on the trust's financial systems. In particular, the checks carried out will include:

- testing of payroll systems
- testing of Bank reconciliations
- testing of monthly accounts

SPA EDUCATION TRUST

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2021

- testing of ESFA and LA funding
- testing of risk register
- testing of cash handing systems
- testing of fixed assets
- testing of insurance arrangements

The Executive Headteacher on a termly basis, will report to the board of trustees, through the Operations Committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

The internal auditor has delivered their schedule work as planned and has provided details of any material control issues arising as a result of their work and, if relevant, described what remedial action would need to be taken to rectify any issues.

Review of effectiveness

As Accounting Officer, the Executive Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question, the review has been informed by:

- the work of the external auditor;
- the work of the internal auditor;
- the financial management and governance self-assessment process;
- The work of the Senior Finance Officer who has responsibility for the development and maintenance of the internal control framework.

The Operations Committee has advised the Accounting Officer of the implications of the result of their review of the system of internal control and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the Board of Trustees on 13th December 2021 and signed on its behalf by:

Holly McAlpine
Chair of Trustees

Simon Eccles
Accounting Officer

SPA EDUCATION TRUST

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2021

As accounting officer of SPA Education Trust, I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Mr S Eccles
Accounting Officer

13 December 2021

SPA EDUCATION TRUST

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2021

The trustees (who are also the directors of SPA Education Trust for the purposes of company law) are responsible for preparing the trustees' report and the Financial Statements in accordance with the Academies Accounts Direction 2020 to 2021 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare Financial Statements for each financial year. Under company law, the trustees must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these Financial Statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of Financial Statements may differ from legislation in other jurisdictions.

Approved by order of the members of the board of trustees on 13 December 2021 and signed on its behalf by:

Mrs H McAlpine
Chair of Trustees

SPA EDUCATION TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SPA EDUCATION TRUST FOR THE YEAR ENDED 31 AUGUST 2021

Opinion

We have audited the Financial Statements of SPA Education Trust for the year ended 31 August 2021 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

In our opinion the Financial Statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the Financial Statements' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the Financial Statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information, which comprises the information included in the annual report other than the Financial Statements and our auditor's report thereon. Our opinion on the Financial Statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the Financial Statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

SPA EDUCATION TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SPA EDUCATION TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' Report including the incorporated Strategic Report for the financial year for which the Financial Statements are prepared is consistent with the Financial Statements; and
- the trustees' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' Report, including the incorporated Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

- Enquiry of management and those charged with governance around actual and potential litigation and claims.
- Enquiry of management to identify any instances of non-compliance with laws and regulations.
- Reviewing minutes of meetings of those charged with governance.
- Reviewing internal assurance reports.
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business.

SPA EDUCATION TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SPA EDUCATION TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

A further description of our responsibilities for the audit of the Financial Statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's Members as a body, for our audit work, for this report, or for the opinions we have formed.

SPA EDUCATION TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SPA EDUCATION TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2021

In accordance with the terms of our engagement letter dated 20 May 2019 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by SPA Education Trust during the period 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to SPA Education Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the SPA Education Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than SPA Education Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of SPA Education Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of SPA Education Trust's funding agreement with the Secretary of State for Education dated 30 August 2018 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure. The work undertaken to draw to our conclusion includes:

- Review of payments to staff;
- Review of payments to suppliers and other third parties;
- Review of grant and other income streams;
- Review of some key financial control procedures;
- Discussions with finance staff;
- Consideration of the record maintained by the Accounting Officer of the oversight they have exercised;
- Consideration of the programme of internal scrutiny implemented by the Academy Trust in order to comply with its obligations under 3.1 of the Academies Financial Handbook 2020, issued by the ESFA.
- Consideration of compliance with the 'musts' in the Academies Financial Handbook.

SPA EDUCATION TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SPA EDUCATION TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The Financial Statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their Financial Statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the Financial Statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the Financial Statements.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the Financial Statements until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

Transfer of assets on conversion

Where assets and liabilities are received by the academy trust on conversion to an academy, the transferred net assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the academy trust. Income equal to the net assets transferred on conversion is recognised within donations and capital grant income.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

1.5 Tangible fixed assets and depreciation

Assets costing £2,000 or more per item (or less if they form part of a larger purchase or project where the total cost exceeds £10,000) are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Where tangible fixed assets have been acquired / funded by other income, the fixed asset fund is also credited. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Leasehold land and buildings	50 years
Computer equipment	3 years
Fixtures, fittings & equipment	10 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

1 Accounting policies

1.9 Stock

Stock is valued at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less further costs to completion and disposal. Provision is made for obsolete and slow moving stock.

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets and the liabilities are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 19, will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

In preparing these Financial Statements, the trustees have not needed to exercise any subjective judgements that would be critical to the academy trust's Financial Statements.

Following the reclassification in the Academies Accounts Direction 2020/21 of some grants received from the Department for Education and ESFA, the academy trust's funding for Universal Infant Free School Meals and Pupil Premium is no longer reported under the Other DfE group grants heading, but as separate lines under the Other DfE/ESFA grants heading. The prior year numbers have been reclassified.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

4 Funding for the academy trust's educational operations

The academy trust has been eligible to claim additional funding in the year from government support schemes in response to the Coronavirus outbreak. The funding received is shown above under "COVID-19 additional funding".

- The funding received for coronavirus catch up premium covers £30k of costs.
- The funding received for coronavirus mass testing covers £80k of costs.
- The funding received for other coronavirus related costs cover £26k.

These costs are included in notes 6 and 8 below as appropriate.

9 Staff

The number of persons employed, expressed as a full time equivalent, was as follows:

	2021 Number	2020 Number
Teachers	18	11
Administration and support	52	33
Management	8	8
	<u>78</u>	<u>52</u>

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2021 Number	2020 Number
£60,000 - £70,000	4	3
£70,001 - £80,000	-	1
£80,001 - £90,000	1	-
£90,001 - £100,000	1	1
£110,001 - £120,000	1	1
	<u>1</u>	<u>1</u>

Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 1. The total amount of key management personnel employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy trust was £788,647 (2020: £634,788).

10 Trustees' remuneration and expenses

One or more of the trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The principal and other Staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their services as trustees.

The value of trustees' remuneration and other benefits was as follows:

S Eccles (Executive Headteacher):

- Remuneration: £115,000 - £120,000 (2020: £110,000 - £115,000)
- Employer's pension contributions: £25,000 - £30,000 (2020: £25,000 - £30,000)

During the period, travel and subsistence payments totalling £8k (2020: £nil) was reimbursed or paid directly to 1 Trustee (2020: 0 Trustee). Expenses were incurred in performing the normal duties of employment.

11 Trustees' and officers' insurance

The academy trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

Total funds	<u>6,896</u>	<u>28,010</u>	<u>(5,899)</u>	<u>(121)</u>	<u>28,886</u>

The specific purposes for which the funds are to be applied are as follows:

The Restricted General Funds are used to fund the general operating costs of the Academy Trust.

The Restricted LGPS Fund represents the Academy's share of the LGPS Pension Fund deficit.

The Restricted Fixed Asset Fund represents the net book value of fixed assets, plus the unspent element of capital funds. When fixed assets are purchased the fund balance is increased and depreciation reduces the fund balance.

Unrestricted Funds represent balances held at period end that can be applied at the discretion of the Trustees, to support any of the Academy's charitable purposes.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

19 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by London Borough of Southwark. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016, and that of the LGPS related to the period ended 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to the TPS in the period amounted to £329k (2020: £252k).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

SPA EDUCATION TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

19 Pension and similar obligations

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 19.2% for employers and 5.5% to 6.8% for employees.

As described in note 27 the LGPS obligation relates to the employees of the academy trust, being the employees transferred as part of the conversion from the maintained school and new employees who joined the scheme in the period. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of Academy Trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Total contributions made	2021	2020
	£'000	£'000
Employer's contributions	182	122

Details are as follows:

Spa Bermondsey- £433k boiler project. This will be funded by CIF Grant of £357k the remaining £76k will be funded by reserves and a salix loan of £51k.

Spa Camberwell - £16k playground tarmac project will be fully funded by reserves.

24 Related party transactions

The Park College is a related party by virtue of the fact that one of the directors of The Park College is also the accounting officer of the Spa Education Trust.

During the year The Park College 's income, expenditure and balances were recorded in the Spa Education Trust accounting system, for which all transactions passed through the Spa Education Trust bank account.

This included income of £582k (including £25k of reserves transferred to it from the carry forward balance from 2019/20 - see note 28) and expenditure of £380k, all of which is excluded from these accounts. At 31 August 2021, the balance of The Park Colleges reserves of £202k is however included within the bank balance of Spa Education Trust with an equivalent amount included with creditors: amounts due within one year. Included within the LGPS deficit is an amount relating to staff costs attributable to The Park College, this amount had not been recharged as the liability itself if not actually settled but covered through the contributions made in the year which has been charged to The Park College.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2021

25 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.

26 Agency arrangements

The academy trust distributes 16-19 bursary funds to students as an agent for the ESFA. In the accounting period ending 31 August 2021 the trust received £3,738 (2020: £3,218) and disbursed £3,738 (2020: £3,218) from the fund.

27 Transfer to the Academy Trust

On 1 September 2020 Spa School Camberwell joined Spa Education Trust.

The transfer has been accounted for as a combination that is in substance a gift. The assets and liabilities transferred were valued at their fair values and recognised in the balance sheet under the appropriate headings with a corresponding net amount recognised as a net gain in the statement of financial activities as donations/transfer to the academy trust.

The following table sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the statement of financial activities.

Academy	Location	Date of transfer		
Spa School Camberwell	Camberwell	1 September 2020		
	Unrestricted funds	Restricted funds:		Total
	£'000	General	Fixed asset	2021
Net assets transferred:		£'000	£'000	£'000
Leasehold land and buildings	-	-	22,605	22,605
	<u> </u>	<u> </u>	<u> </u>	<u> </u>
	Unrestricted funds	Restricted funds:		Total
	£'000	General	Fixed asset	2021
Funds surplus/(deficit) transferred:		£'000	£'000	£'000
Fixed assets funds	-	-	22,605	22,605
	<u> </u>	<u> </u>	<u> </u>	<u> </u>

28 Transfer out of the academy trust

On the 1st September 2020 The Park College transferred out of the Spa Education Trust.

29 Prior year adjustment

Allocation of income and expenditure to appropriate headings was considered following the reclassifications in the Academies Accounts Direction 2020/2021 and the ESFA chart of accounts. The allocation of income and expenditure in the prior year has been amended in order for the two years to be comparable. There was no impact on the reported surplus for the year, reserves at year end or on any balance sheet items.
