

June 9th 2023

Dear Parents and Carers,

Community Learning

Brenchley class had a great visit to the zoo this week. All the other classes have their trips coming up soon.

Yoga

Daniella is our yoga instructor. She works with classes each week to develop relaxation and self-regulation skills. If your child's class has yoga this term you are invited to come in and take part next week. Do make sure you wear comfortable clothes. Daniella is with us on Wednesday and on Thursday morning. We'll send you a text with the start time of the class.

Spa Camberwell Carnival

We are starting to prepare for our annual school carnival on Friday July 14th. Each class will run a stall and there will be lots of fun things to do. This year we will be running a tombola. Please do donate any quality items we can add to our collection of prizes.

Multi-storey Orchestra

Congratulations to Maya, Esther, Geraldine and Libby. Last night they performed in the Multi-Storey Orchestra performance of 'Verified'. We'll let you know when it is being shown on TV.

Weather Alert

Do take care over the weekend as the weather will be very warm. Remember to drink lots of water and try to keep cool. Do let us know if you need any visuals to encourage pupils to leave their coats, sweatshirts or fleeces at home next week.

Best wishes,

A handwritten signature in black ink that reads "Steph Lea".
