We will text you to remind you of each relevant event.

Holiday Programmes

Please do check our website for information about holiday programmes. We will put regular updates there to help you plan for the holidays. You can also find useful information on Southwark's [local offer](#)

Thanks to those of you who met with Erin this week for the autism and puberty training. If you missed it do let us know if you have any questions.

Key Stage 4

Our first students moved to KS4 in September. The curriculum focuses on Preparation for Adulthood. Pupils take part in regular community learning sessions, careers lessons and a range of work experience around the school.

All pupils leave Spa Camberwell at the end of year 11 when they are 16. It is time to start to think about each student's next steps and where they learn from 16-19. Rian and Farzana are holding a meeting to discuss this with you and share relevant information on the options available.

Please join on **Wednesday December 6th at 10am.**

Stay warm over the weekend.

Best wishes,

Steph Lea
