

November 17th 2023

Dear Parents and Carers,

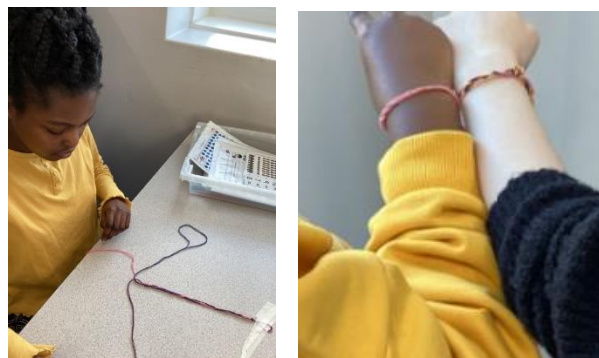

Children in Need

It was fun to see pupils enjoying dressing up for Children in Need today. Thank you for your donations - we will be sending these off next week.

Antibullying week

All pupils have taken part in friendship activities this week. They have been learning to communicate with each other and enjoyed making friendship bracelets.

Next week's training

Please do join Farzana on Tuesday afternoon at 2.15 for our Tea and Talk session. This is an informal meeting with no specific focus. It is just time and space for you to be together and chat.

Packed lunches

Erin and Rian are working with secondary aged pupils who bring packed lunches to encourage them to include healthy options. Please give either of them a call if you want any help with this. We do encourage lunches to not include crisps, chocolate or sweets.

Best wishes,

Steph Lea
Executive Headteacher
