

28th April 2023

Dear Parents and Carers,

Community Learning

Well done to Mint class who took their first visit to Camberwell library. It was a real success and a great chance to develop safe ways to walk when out in the community.

3M used their social communication and money skills when they visited the café in Burgess Park.

Beth and Rian are working with the teachers to arrange a community learning activity for each class over the summer term. All the visits are planned in great detail to ensure everyone is safe and happy. The office coordinates all the letters home with the information you need and will make sure they remind you to return the permission slip.

School Growth

In September we will open our first reception class for four year olds. And several of our KS3 pupils will be moving into our new Key Stage 4. Over the next few weeks we will be arranging visits for all the new pupils and their families. We are currently recruiting for new teachers and a new Assistant Head to join our team.

Parent coffee mornings

Farzana will be inviting you to join her for an informal get together over the next weeks. It's just a chance for you to get together and talk. The dates are below:

Key Stage 1 – Wednesday 10th May at 9.35am

Key Stage 2 – Wednesday 17th May at 9.35am

Key Stage 3 – Wednesday 24th May at 9.05am

“Street Party”

We will be celebrating the coronation with our Spa Camberwell Street parties. Pupils and staff will enjoy a special lunch together. Sandra is busy preparing for the big day! Children will also be able to have their regular meal if they need it.

Immunisation Team

The team are due in to school on Wednesday for year 8 and 9 HPV vaccinations. They will have been in touch with you directly if this is relevant to your child. As always, no child is given any vaccinations at school unless all the formal consents have been approved by parents/carers.

I hope you all enjoy the long weekend.

Best wishes,

A handwritten signature in black ink that reads "Steph Lea".
