

2nd May 2025

Dear Parents and Carers,

This week at school

Everyone has been enjoying the sunny weather with lots of opportunities for outside learning. The youngest children have been keeping cool with lots of water play which has tied in to their topic around "People who help us" and thinking about links to water based activities and firefighters!

4B Royal Academy of Dance

4B took part in a relaxed sharing session for their dance work from this academic year. They performed a dance they have worked on in front of an audience including groups from other schools. Pupils and staff reported that they had a great morning and all did brilliantly with the dance. It was also exciting for them to be at the Royal Academy of Dance Headquarters and see lots of dance happening as they were shown to their studio and the performance space.

Basketball Sessions

Access Sport are offering free weekly basketball sessions at Burgess Park with a disability sports coach starting from Thursday 15th May. More info can be found on the next page.

Wishing you a lovely weekend. As Monday is a bank holiday we will see all the children back on Tuesday 6th May.

Kind regards

A handwritten signature in black ink that reads "Erin McCarthy".

Erin McCarthy
Head of School
