

4<sup>th</sup> July 2025

Dear Parents and Carers,

Another wonderful week where we have seen lots of hard work and everyone has done really well to stay engaged and learn in the heat this week.

#### Autism Accreditation

Thank you very much for sending in your survey responses, the reminders will stop now! We had a brilliant 76 responses. The assessors will be in school on Tuesday for the day and they will visit different classes and see a variety of work that goes on at Spa. They will most likely be at the gates at the end of the day so they may want to talk to some of you as you collect your children.

#### End of term events

Please do keep a look out for messages about end of term events which will be happening the week after next. We will be having our sports day events that week and our annual Carnival will be on Friday 18<sup>th</sup> July in the afternoon. You will receive more details very soon but please do keep that date in mind. We also have our very first year 11 leavers this year so there will also be a special event for them.

#### Family Support

Harriet is currently unwell so we will have Farzana with us next week on Monday, Thursday and Friday if you have any queries or support needs that she can help you with and if there is anything at any other time please do feel free to speak to a member of SMT and we will be able to help you.

Have a wonderful weekend.

Best wishes

Erin McCarthy  
Head of School
