

7th February 2025

Dear Parents and Carers,

Enrichment Activities

We've had a very exciting week across the school with a variety of offsite and onsite enrichment activities.

3N visited Tower Bridge as part of their Humanities work. They had a great time as a group and walked across the clear platform, admired the views across London and visited the engine room.

3M took part in some travel training organised by Southwark where they went out on a bus and actors joined the group to rehearse different situations that could occur when travelling on a public bus. The group also completed some road safety exercises and thought about keeping their belongings safe.

4B visited a careers fair at Orchard Hill College where they were able to get information from a variety of different organisations and ask questions about careers.

In school, all classes got up close to some animals when Ranger Stu visited on Thursday. There were lots of eager volunteers to stroke the snake, the armadillo, the tortoise and a tenrec. There were some very brave pupils and adults who hadn't been too sure about the snack or the tarantula!

Endorphins

Faye from Endorphins is offering a parent's information session on Thursday 13th February between 9.45 – 10.30, please do come along if you would like to know more about Endorphins. Endorphins runs sessions for pupils between 8 – 19 on some Saturdays during term time and during school holidays. The sessions are based at Spa Camberwell.

Half Term

Just a reminder that half term is the week beginning 17th February. School will also be closed to pupils on Monday 24th February due to a staff training day so we will see everyone back on Tuesday 25th February.

Have a lovely weekend.

Best wishes,

Erin McCarthy
Head of School
