A special school for pupils with autism

9th May 2025

Dear Parents and Carers,

The lovely weather has allowed for lots of opportunities for outdoor learning as well as good fortune for trips offsite.

KS3 have been thinking about travelling safely and there have been doing some work on road safety in school and 3A took part in an independent travel training session which took part on a red bus with actors involved in teaching about potential dangers when travelling by public transport. Driving the bus wasn't part of it, just some posing for pictures!

Upcoming events in the community are on the next page.

Have a great weekend.

Kind regards

Erin McCarthy
