Dear Parents and Carers,

Happy New Year!

It's great to see everyone back and it's been a good start to the new term. There has been lots of exciting work happening in classes and the pupils seem happy to be back at school.

You will be able to access last half term's Earwig records from Monday next week so please do log in to see the work from Autumn 2. If you need any help logging in or would like someone to show you, please do let us know and we can arrange for that to be done. Remember to ensure that you have set the dates on the first page to show from September until now to be able to still see Autumn 1 records too. They are not time sensitive and remain on your profile. We will add to them as the year goes on so you have information from the whole year by July.

Please do remember to keep checking the Southwark local offer page for an updated version of activities that are available in Southwark including after school and weekend clubs <https://localoffer.southwark.gov.uk/care/targeted-short-breaks/>

Have a lovely weekend.

Best wishes,
