

11th July 2025

Dear Parents and Carers,

It's been another great week with lots of hard work in the sunshine.

Autism Accreditation

On Tuesday we welcomed some assessors in from The National Autistic Society to visit the school and observe sessions as part of our Autism Accreditation reassessment. We will receive the full report in mid-September but I wanted to share with you that you should all be very proud of your children. The assessors told us that they were made to feel very welcome by the staff and the students. The friendliness, politeness and welcome they showed was exemplary. There will be more information that we can share with you once we have our report.

Thank you also to everyone who filled in surveys, spoke to the assessors either online or in person when they were at the gate on Tuesday afternoon.
