

Spa Camberwell, Southampton Way, SE5 7EW  
A special school for pupils with autism

13<sup>th</sup> June 2025

Dear Parents and Carers,

This week at Spa Camberwell there has been lots of great learning happening inside school and outside of school. It's been lovely to see such high levels of engagement and enthusiasm for learning. All across the school we are also really focussing on opportunities for working together.

### 3M visited The Kings Gallery

## Belair visited Surrey Docks Farm

## Parents Evening

Parents Evening is **Monday 23<sup>rd</sup> June**. You will receive a separate letter to book times with your child's teacher but I wanted to make sure everyone was aware of the upcoming date.

## Earwig Records

Please do let me know if you are having problems logging in to your child's Earwig records or if you have forgotten any log in details. All subject unit records are being shared via Earwig and have been throughout the year. This is so that you can have ongoing information about your child's learning throughout the year. The reports you receive from your child's teacher will not contain subject specific information this year as this is all contained in the unit records.

I will be available on parent's evening if anyone needs additional help to access their child's records and I want to make sure everyone is accessing this as this is how we are sharing information about learning and progress.

Have a lovely weekend.

Best wishes
