

21<sup>st</sup> March 2025

Dear Parents and Carers,

### **Residential**

The year 10 students who went on the residential trip this week have returned after an adventurous few days of lots of outdoor activities. They reported that they had lots of fun. They all gave each of the activities a good go and showed lots of independence too. They had great weather too and were able to make the most of the outdoors in the sunshine.

### **Red Nose Day**

All pupils were given a Red Nose today in school. Some of them may have made their way home! Key Stage 2 and Key Stage 4 who had assemblies today had lots of red nose related fun during their assemblies.

### **Local Offer**

With the Easter break coming up in a couple of weeks please do check in on the Southwark local offer to see what clubs and activities are on offer. If you need any support around accessing this, please do ask us.

Have a lovely weekend.

Best wishes,
