

22nd November 2024

Dear Parents and Carers,

Parents Evening

Thank you to everyone who attended yesterday's Parents Evening, it's always good to see everyone and for you all to hear more about what your child does in school. We will be in touch with those of you who were not able to speak to your child's teacher yesterday to arrange an alternative opportunity.

Careers Workshop

Last week, the year 11 students attended a careers workshop where they completed projects with students from other settings. This week we had some Career's Advisors from SCOPE come into school to run sessions with the year 11 students. There has also been lots of great work happening in KS3 & 4 classes around careers this half term with a focus on non-fiction texts about jobs in English lessons too. We also had a careers assembly run by a police officer this week.

Road Safety

Key Stage 3 students have been developing their road safety awareness during PSHE sessions and these skills have been put into practice this week with the beginnings of some walks in the local community. 3M and 3F have practiced their road safety skills by crossing roads at the safest places when visiting Tesco's and Burgess Park. Other classes walks are coming up in the next few weeks.

Endorphins

Endorphins still have some places on their sessions on Saturday 14th December. Please see attached leaflets with further information about how to book on to them.

Have a lovely weekend.

Best wishes,

A handwritten signature in black ink that reads "Erin McCarthy".

Erin McCarthy
Head of School
