

24th March 2023

Dear Parents and Carers,

Next week is the last week of the Spring term. We will be sharing an update on your child's progress with you through their updated Personal Learning Plans.

We will also celebrate World Autism Acceptance Week with the pupils over the course of next week - sharing materials and activities to help them understand more about themselves and autism.

The Power of Reading

Spa Camberwell is an associate school for the Centre for Literacy in Primary Education. We contributed to their research group on using quality texts to teach English. You can read the case study on page 8 here:

Autism Voice Easter Holidays Activities

This Easter, Autism Voice will be running holiday activities for autistic children for 8 days. Please see the details on the flyer below:

Online Safety Update

[Parent Zone Local for Southwark](#) is a free digital skills service for families promoting media literacy. It has loads of online safety resources and advice for young people. The service also provides live online broadcasts for parents, as well as games and activities around digital life.

Have a pleasant weekend.

Best wishes,

A handwritten signature in black ink.

Ricardo Hylton
Head of School
