

25<sup>th</sup> April 2025

Dear Parents and Carers,

Welcome back to the Summer term. It has been great to see the pupils returning this week and enjoying being back in their classes and back into the school routine even with it being a shorter week this week.

#### Local Offer

Just a reminder to regularly check <https://eequ.org/southwarkshortbreaks> for opportunities of activities outside of school. Places can be booked through this link and Southwark update the local offer regularly. I will also of course continue to notify you of any new activities that we are told about when we receive additional updates.

#### Weather

The forecast for next week is looking hot and sunny. Please feel free to send in sun cream in your child's bag and we will make sure that it is applied before going outside. Please do label jumpers and additional items of clothing with your child's name to help us in getting the right clothing home with the right students.

#### Family Support

Just a reminder that Harriet has returned from her maternity leave so if you need to speak to a family support worker it is Harriet that you need to ask for.

Have a lovely weekend.

Best wishes,
