Dear Parents and Carers,

Parent/teacher meetings

Thank you to everyone who came in for parent/teacher meetings this week. It's always a good opportunity to share the great work between home and school. There were many very positive comments and recognition of progress over the year and for some of our soon to be leavers, progress over their time at school.

Autism Accreditation Survey

Can I just remind you all to please fill in the Autism Accreditation family surveys for our re-accreditation which is taking place soon. The deadline for completed surveys is next Thursday and your feedback contributes towards the assessment so we really appreciate you taking the time to do this. The survey can be found here

Heat Warning

The weather forecast for next Monday and Tuesday is very high. Please do send your child into school wearing cool clothing to help them. We are taking additional actions to try to cool the building as it is very hot inside by ordering additional fans for classrooms. We will also be making some timetable changes to ensure that everyone is able to stay as cool as possible. Please do let us know if you think your child may need some extra support around this or may find it difficult.

Family Support

Since Harriet has returned to working at Spa Camberwell, her hours changed. If you need to make an appointment to see Harriet please let a member of staff in the main office know and they will book you in. If Harriet is not available to meet you when you need some assistance a member of the SMT will meet with you to help you.

Have a lovely weekend and stay cool.

Best wishes
