

28<sup>th</sup> February 2025

Dear Parents and Carers,

It was great to welcome everyone back for the second half of the Spring Term. We've seen lots of happy faces and pupils pleased to be back with their classmates.

### **Spring 2**

Mint class felt very Spring like today with the children creating their own flower pictures. They were looking at some real flowers to choose the colours for their pictures.

We have been working with some children this week to understand that sunny does not automatically mean that it is hot and it is still important to keep jumpers and/or jackets on. I know the weather is very changeable these days so please do make sure clothes have children's names on them when there are layers being worn and removed.

### **Earwig Records**

Earwig records from last half term are now available for you to view on Earwig. You should still be able to see all of the other records with the spring ones added. Please do let me know if you are having difficulties accessing the records or if you need help setting the dates to make sure you can see everything.

### **World Book Day**

Next Thursday is World Book Day. We welcome any book related fancy dress on the day and if children would like to bring in their favourite book in to share with their class that would also be lovely. There will be some book related activities happening in school on the day too. As usual if your child does not want to dress up then school uniform is fine. If your child changes their mind during the day, we will also support them to dress up once in school with costumes we have here.

Have a lovely weekend.

Best wishes

Erin McCarthy  
Head of School
