

31<sup>st</sup> March 2023

Dear Parents and Carers,

The Spring term comes to a close today. All pupils will return to school on Tuesday 18<sup>th</sup> April.

Your son / daughter's Personal Learning Plan is included with this letter showing all the targets they have achieved this term. Well done to everyone.

It has been a wonderful first term for me, and I am looking forward to working with the entire Spa Camberwell community in the coming terms.

It was very pleasing to see you attend dance class this week. The enthusiasm and engagement of the children was extraordinary.

### **Goodbye**

Sadly, we say goodbye to two of our cherished staff members, Melanie and Dwayne. We will miss them sincerely but wish them the absolute best in their next endeavours. Rachel will be the Brenchley teacher for the summer term.

Rachel has been at Spa Camberwell all of this year and will be a friendly, familiar face to pupils.

## **Online Safety Update**

Spending time online gives children and young people the opportunity to explore the internet. Sometimes people come across explicit content that might not be age appropriate. Social media posts, webpages and links or images received online can include inappropriate information and images. Seeing unsuitable content might cause feelings of fear, shame, guilt, confusion or even excitement.

It is important you know where to go if you or your child come across inappropriate content.

You can [report any inappropriate, explicit or illegal content to CEOP.](#)

You can [get advice about setting up parental control from the NSPCC.](#)

Have a restful and enjoyable break and we will see you in the summer term.

Best wishes,

Ricardo Hylton  
Head of School
